## CO-CURRICULAR CLASS DEADLINE EXTENDED, ENROLL NOW!

We know everybody has been busy with the holidays, so we are giving everyone more time to sign up for co-curricular classes. The new start date is January 16-29. If you haven't already signed up your children, please consider doing so now. We are excited to have several new classes this semester, which offer your children the opportunity to try new activities.

### BRICKS 4 KIDS

Bricks 4 Kids builds on the universal popularity of LEGO® bricks to deliver high quality educational play. Every class is a fun, enriching experience for your child using the classic bricks loved by generations of children.

### CODING WITH KIDS

Give your child an opportunity to learn how to create their own cool programs! Coding with Kids classes teach kids real programming in a fun way. Fun activities – both 'on screen' and 'off screen' keep students excited and engaged about programming. Choose from either the 'Little Coders' class where students will be introduced to programming fundamentals, or the 'Game Development' class where students will learn to create their own games.

### TENNIS

Get ready to play tennis after school! Here's a great way to keep your students active. Using age-appropriate equipment, students are taught to develop court awareness, timing and hand-eye coordination on a youth-size tennis court that is created on MCS' playground. Patient coaches help make tennis fun for girls and boys ages 5-10. Classes are divided by age level for instructional purposes.

**CHESS CLUB**

Chess Club provides a wonderful opportunity for students to learn a game that not only develops their mind, it also gives them a great way to connect with other students. Ten weeks of class instruction includes individualized curriculum and intra-school tournament competitions.

**GOLF SQUAD | Grades K-2 | Grades 3-5**

Here's a great opportunity for students to learn the fundamentals of golf after school. PGA professionals will instruct students in a social and fun environment. Students will learn about vocabulary, etiquette, safety, and social and technical aspects necessary to enjoy golf for a lifetime.

**COOKING ROUND THE WORLD**

Your student will have loads of fun learning about countries 'round the world by cooking and...eating the results of their hard work! By combining cultural education and culinary arts, children learn cooking skills while experiencing a country's culinary flavors. Cooking is 100% hands on - everyone dices, juices, chops, sautés and participates!

## 2017 GIRLS VOLLEYBALL CIF STATE CHAMPS ACCOLADES FOR THE YEAR

By now everyone at Maranatha knows that we have a state champion girls volleyball team. We know they won CIF for the second year in a row and that their 34-1 win-loss record was tops in the state of California – but it doesn't end there. On Tuesday, MaxPreps named Maranatha the "Small School Team of the Year" and coach Mary Beiler was awarded "State Small School Coach of the Year". Earlier in the week, Amy Buffini was named to the "2017 MaxPreps Sophomore All-American Team". There were 23 girls throughout the United States that were given All-American honors and she is one of only two girls selected from California. She is Maranatha's first-ever All-American athlete. In addition, Amy was named 1st Team All-State as an outside hitter in the small schools division. She set Maranatha's single-season record with 471 kills, breaking her own record set the season before as a freshman. Not to be outdone, sister Alysha Buffini was named 2nd Team All-State as a setter. Alysha had 771 assists in 2017 and led the team in service aces with 83. Both Buffini sisters have demolished most of Maranatha's all-time records in only two seasons of play. Amy's career total of 785 kills exceeds her closest challenger by more than 200. Alysha's 1198 career assists are nearly double the amount of the previous leader. Both sisters are 1st & 2nd in service aces with Amy edging out Alysha 200 to 184. The team's overall record is 60-5 since the twins transferred to the school as freshmen from Christian LIFE Academy in 2016. Congratulations to all for a magnificent season! Truly the Lord has blessed us!
