BRICKS 4 KIDS

Bricks 4 Kids builds on the universal popularity of LEGO® bricks to deliver high quality educational play. Every class is a fun, enriching experience for your child using the classic bricks loved by generations of children.

CODING WITH KIDS

Give your child an opportunity to learn how to create their own cool programs! Coding with Kids classes teach kids real programming in a fun way. Fun activities – both ‘on screen’ and ‘off screen’ keep students excited and engaged about programming. Choose from either the ‘Little Coders’ class where students will be introduced to programming fundamentals, or the ‘Game Development’ class where students will learn to create their own games.

TENNIS

Get ready to play tennis after school! Here’s a great way to keep your students active. Using age-appropriate equipment, students are taught to develop court awareness, timing and hand-eye coordination on a youth-size tennis court that is created on MCS’ playground. Patient coaches help make tennis fun for girls and boys ages 5-10. Classes are divided by age level for instructional purposes.

GOLF SQUAD | Grades K-2 | Grades 3-5

Here's a great opportunity for students to learn the fundamentals of golf after school. PGA professionals will instruct students in a social and fun environment. Students will learn about vocabulary, etiquette, safety, and social and technical aspects necessary to enjoy golf for a lifetime.

COOKING ROUND THE WORLD

Your student will have loads of fun learning about countries 'round the world by cooking and...eating the results of their hard work! By combining cultural education and culinary arts, children learn cooking skills while experiencing a country's culinary flavors. Cooking is 100% hands on - everyone dices, juices, chops, sautés and participates!

Transfer to Maranatha helps Willis and Eagles

Maranatha is off to a 9-2 start thanks in part to transfer student Phillip Willis. (Courtesy photo)

By Terry Monahan

JANUARY 4, 2018, 9:10 AM

The first time Phillip Willis walked onto the Maranatha Christian High campus last year as a junior transfer, he did so with a big dose of uneasiness.

Willis departed Horizon a year before the private school in Clairemont shut its doors last June. His mom, Connie, who was teaching at Horizon, took a job as a fourth grade teacher at Maranatha and convinced her son everything would work out.
