FAMILY LUNCHEON DAY

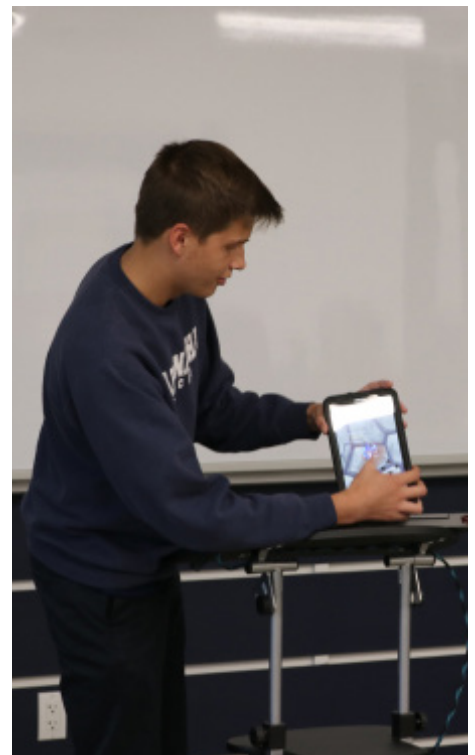

Look for details in next week's MCS Weekly Update.

HIGH SCHOOL NEWS

LEARNING TO DEVELOP APPS

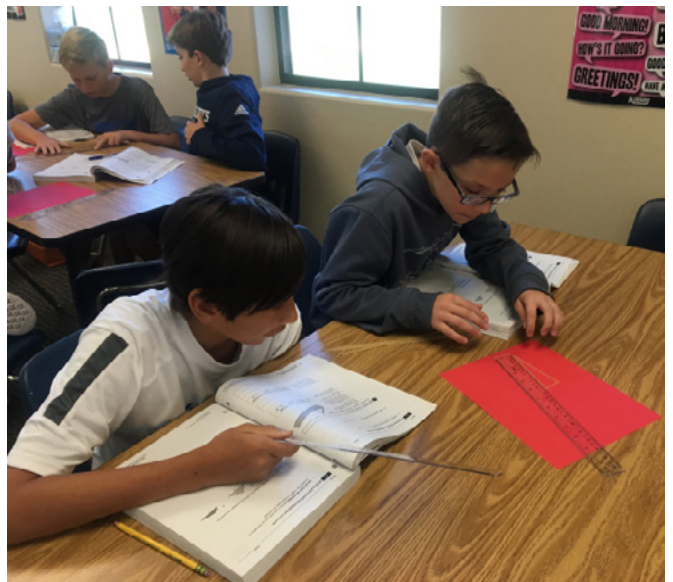

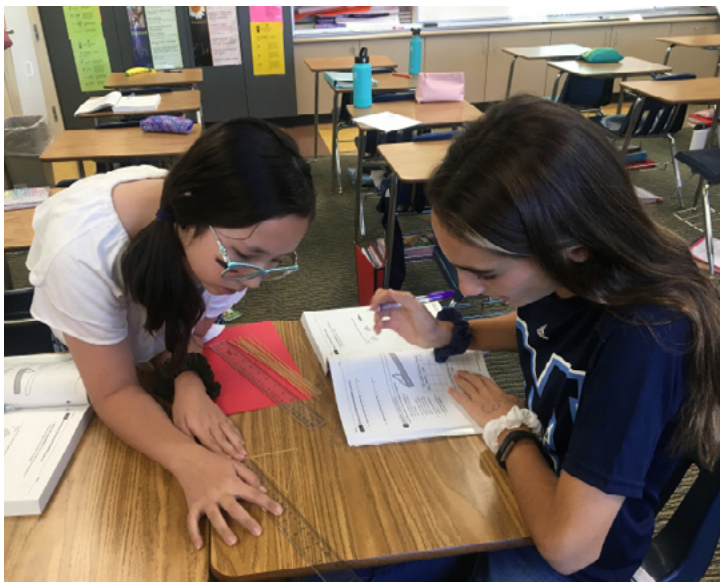

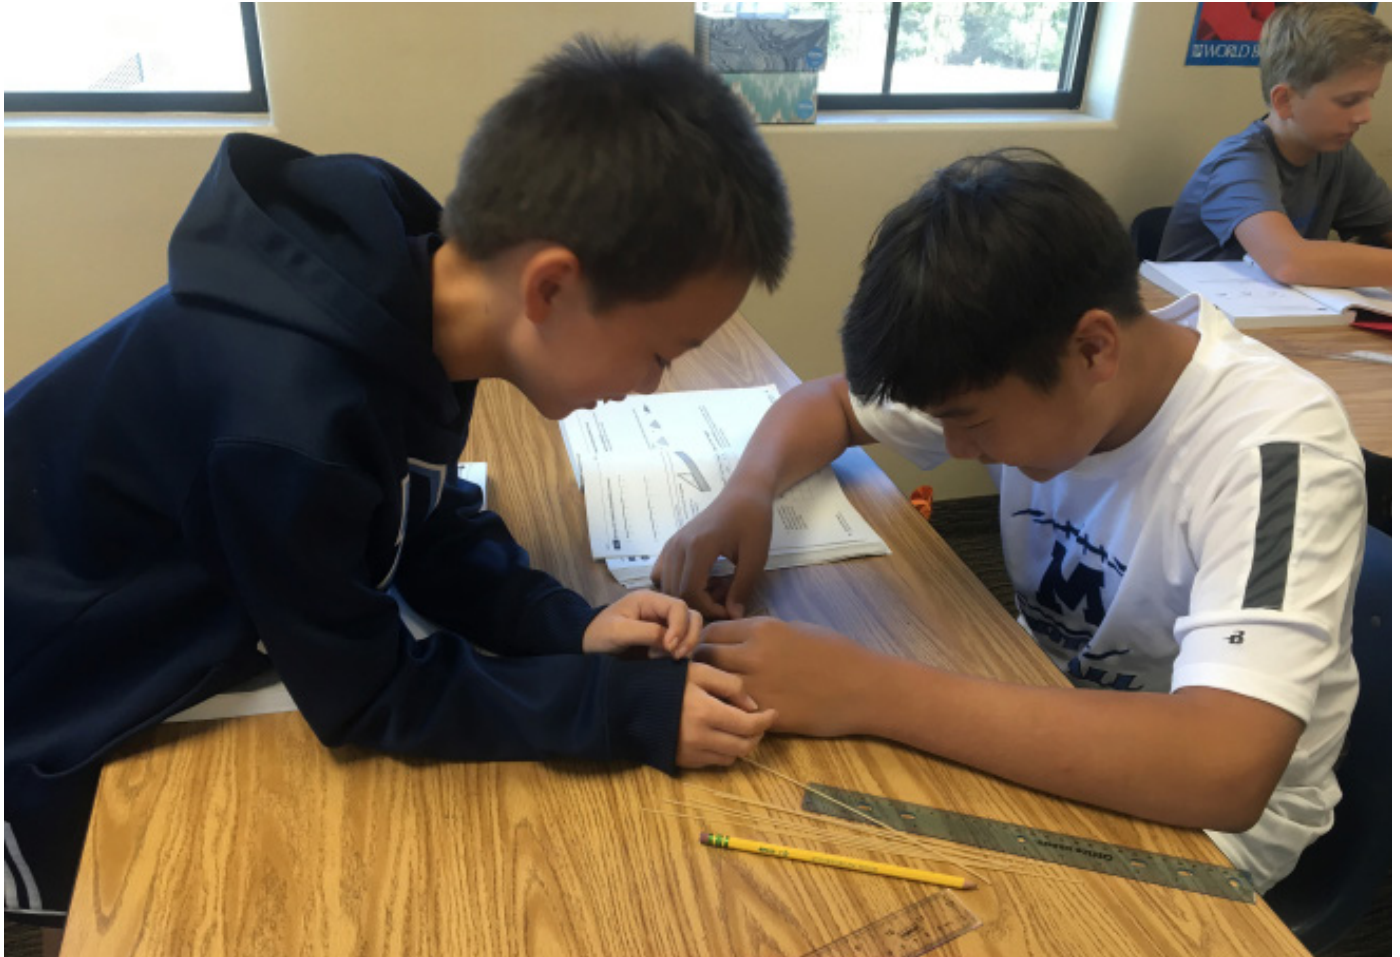

Using the 'Project Lead the Way' curriculum, the AP Computer Science Principles students presented to their classmates the end result of their latest programming project. The students have been learning how to develop apps that run on Android tablets for the past several weeks. The unit culminating project had the students developing their own app using MIT's App Inventor language and uploaded their projects to Android tablets. Most of these students had never seen the App Inventor software prior to the start of the unit so their end product is a testament to their God given creativity and comprehension abilities.

JUNIOR HIGH NEWS

ALGEBRA AND NOODLES

Using creativity is always a wonderful way in which to teach student. Especially when it comes to math! Mrs. Quinn's Algebra class worked with spaghetti noodles to make triangles in order to write a rule that uses an inequality to compare the lengths of three sides of a triangle. I think our student will remember this lesson!

ELEMENTARY NEWS

ATTRIBUTES OF A CHRISTIAN LIFE

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is not law. Galatians 5: 22-23

There is no better experience then walking through life with a joyful heart. This month our elementary students are focusing their attention on October's 'Fruit of the Spirit' – Joy! Students are learning how to show and receive joy in their lives through Jesus Christ. Joy is one of the nine visible attributes of living a Christian life. Our elementary students are spreading their joy throughout MCS!

JOY

“The Lord is my strength and my shield; my heart trusts in Him, and He helps me. My heart leaps for joy, and with my song I praise Him.”

PSALM 28:7

OPERATION CHRISTMAS CHILD IS UNDERWAY

O.C.C. is a school-wide project designed to spread the gospel of Jesus Christ to children around the world who are suffering from war, poverty, disease, and natural disaster. Every MCS student will have the opportunity to pack shoeboxes filled with collected grade specific items, handmade toys, written letters during our annual school-wide packing party in the MCS courtyard on Friday, November 9. In addition to these items, The Greatest Journey gospel literature is presented to each child at the time they receive their shoebox.

This effort to pack shoeboxes is a powerful way for our students to learn to serve others as our Lord Jesus Christ has served us (Philippians 2:3-4). Last year our goal was 700 boxes and our school packed over 800 boxes. This year our goal is to pack and send 888 boxes!

Additional ways you can help:

* \$9 dollars per box is needed for shipping costs. Each classroom will have a collection box for those who would like to donate for shipping fees. Please send any amount with checks made payable to "Operation Christmas Child".
