JUNIOR HIGH NEWS

LIFTING THEIR VOICES AND PRAISING GOD

In Wednesday's Junior High Chapel, Tobi Peters, an extremely gifted and doctrinally sound worship leader, led our students in an All-Worship Chapel. With prayer, praise, and the Word of God—Tobi helped to fix our eyes on Jesus. Rather than individuals, we joined together as the body of Christ worshipping our King. Junior High Chapel was a hint of heaven on earth as students responded in praise, several accepting Christ for the first time, and most recommitting to a closer walk with Christ. Praise, praise, and thanks be to God!

EAGLE IN THE SKY!

Junior High students need plenty of motivation to run the mile every two weeks in PE. Last Wednesday was no exception, but as we looked to the sky the clouds were shaped like an eagle. It was God's creation saying soar like "this" eagle in the sky while you run. Many personal records were set that day. What an awesome God we serve!

ELEMENTARY NEWS

PREPARING FOR MINISTRY WORK

One of the key elements in helping our students live out our motto of “Transformed Lives...Transforming the World” is recognizing potential giftings and talents, and then providing an appropriate platform that will allow those gifts to grow.

In his freshmen year, Justin Stout expressed a growing interest in the ministry. Therefore, Nate Jackson (Director of Biblical Studies & Discipleship) presented the idea to Justin of practicing teaching the Bible publicly by asking him to speak to the elementary students in their weekly chapel service. “I remember

when my mentor in Miami, Florida gave me the opportunity and responsibility of teaching the High School Youth Group of Florida Bible Church on Sunday mornings when I was 18,” Jackson said. “It’s hard to listen back to those tapes, as my speaking and preaching was definitely not very polished. However, I thank the Lord that I was at least given the responsibility and opportunity at a young age which allowed me to get practice and experience in becoming an effective speaker. I recognized Justin’s winsome personality, sensitivity to the things of the Lord, and desire for future ministry that I wanted to provide for him the same opportunity I was given.”

Nervously, Justin planned and prepared for his first message by seeking counsel from his parents and practicing his message on his siblings. By the time Justin finally went up to speak in the Elementary chapel service, he did such a fantastic job that many of the teachers and students begged to have Justin speak again. Throughout the following years of Justin’s high school career, Mr. Jackson has used Justin as a regularly scheduled speaker. Each time Justin has improved, causing the elementary students to roar with excitement when they see Justin take the stage.

In seeing Justin’s growth and effectiveness, Mr. Jackson has gone on to schedule Justin as a speaker to the Jr. High and High School students as well. This has been a factor in propelling Justin to take on and establish the role of MCS High School Chaplain. The student body, from young students to older students, have been spiritually impacted to a great degree by Justin’s ministry. Spending much of his summer being trained by YWAM Leaders (Youth With A Mission) and training others, Justin is more set on entering the ministry than ever before.

“Years ago when we had our school-wide Strategic Planning, the administration set for one of its goals to ‘cultivate an authentic Christian culture here at MCS’. The Lord has greatly used the student ministry of Justin Stout in helping us move ever-closer and closer to that goal,” stated Jackson. “Justin Stout’s faithful service in the little things, while honing his gifts and talents, will leave behind a legacy for Christ here at MCS for years to come.” D.L. Moody once said, “The world has yet to see what God can do with a man fully surrendered to Him. By God’s grace I’ll be that man!” We are grateful that Justin Stout has progressed through his high school years with that same attitude.

PUMPKIN SCIENCE!

It's fall, and pumpkins are everywhere, even in the classroom! Mrs. Theo's class had the opportunity to explore pumpkins for science. Students used their critical thinking skills to determine whether their pumpkin would sink or float. Then, Mrs. Theo cut a pumpkin open and filled it with water to see what would happen when placed in the water. They discovered a pumpkin filled with water still floats. This was a perfect science experiment considering this time of year!

OPERATION CHRISTMAS CHILD IS UNDERWAY

O.C.C. is a school-wide project designed to spread the gospel of Jesus Christ to children around the world who are suffering from war, poverty, disease, and natural disaster. Every MCS student will have the opportunity to pack shoeboxes filled with collected grade specific items, handmade toys, written letters during our annual school-wide packing party in the MCS courtyard on Friday, November 9. In addition to these items, The Greatest Journey gospel literature is presented to each child at the time they receive their shoebox.
