HIGH SCHOOL NEWS

NEXT STEP, POST SECONDARY EDUCATION

The College and Guidance Department is in full swing. Parent Grade-Level meetings were scheduled with the parents of freshman, sophomores, juniors and seniors. The main topics of discussion have focused on the importance and uniqueness of each year, and what students should expect as they transition through high school.

A Senior class meeting was held recently so that students could learn how the Naviance program can help them identify their interests, as-well-as determine which colleges and universities might be the best fit for each student. Programs such as the college matching, career exploration, and scholarship research modules in Naviance also help students put together a personal portfolio as they explore colleges.

Speaking of colleges and universities, by the time you read this article we will have had three more schools visit our campus: Biola, Cal Baptist and Point Loma Nazarene. As we continue to reach out to colleges, here's an additional list of schools that are scheduled to visit our campus:

- Vanguard
- Azusa Pacific
- LSU (Louisiana State University)
- Vanderbilt
- Samford
- Westmont
- Colorado Christian University
- The Masters College

It's important to the College and Guidance Department to develop relationships with colleges and universities throughout the US and abroad. We want our students to have every opportunity to meet representatives face-to-face from each school. Getting the word out about our High School program has been fruitful and is producing inquiries. There are several more colleges and universities who are looking to visit MCS as well.

And, attention parents of the Junior class, students have an opportunity to go on a college visit this coming spring. The students will travel on a coach bus and visit: USC, UCLA and Azusa Pacific University. This is a great opportunity for them to tour the campuses, and enjoy lunch and dinner together.

Please let us know how we can serve you. We're here to help!

JUNIOR HIGH NEWS

TECHIE TEACHING!

Students have been working hard this past week in the Computer Lab! From our 6th graders creating their own Digital Etiquette movie, our 3rd-8th graders working on their keyboarding fluency skills while practicing our Bible verse for Fruit of the Spirit, to our kindergartners, who are practicing their mouse control by tracing over their name, considering all those activities, it was a busy week!

JUNIOR HIGH NEWS

DIVING INTO EARLY CHURCH CHALLENGES

Eighth Grade Bible students are evaluating struggles in the birth of the Church. The apostles are imprisoned and are being severely punished by the Jewish religious leaders. A couple church folks decide to lie to the Holy Spirit and fall down dead. Different sets of widows grumble about preferential treatment – there's so much going on! From outside and within, the early church faced attacks.

We praise God that the church overcame through the power of the Holy Spirit. Therefore, dear 8th grade Bible students, stand firm; let nothing move you; always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain.

1 Corinthians 15:58 "Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord." (NKJV)

JUNIOR HIGH NEWS

MITOSIS, HOW DOES IT WORK?

In 7th grade science class students were asked to represent the different stages of cell division, or another way to say it, modeling mitosis. How did they go about doing that? By using chalk and paper directly on their desks! Students worked in teams and collaborated as they drew the different stages of mitosis on the tabletops. Sounds fun! After they finished their work, each group had to point out and explain the different stages of mitosis. What a creative way to learn science!

ELEMENTARY NEWS

FRUITFUL FOR CHRIST!

Wednesday's Elementary Chapel was filled with much excitement as a student from each class was awarded a certificate by their teacher for showing LOVE regularly throughout the day without prompting. In September, elementary students learned about the 'Fruit of the Spirit' LOVE in chapels, in the classrooms, and on the playgrounds. Each month students will learn about the different types of 'Fruit of the Spirit' that are found in Galatians 5:22 "But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law." (NIV) Congratulations students for demonstrating love! In the month of October students will learn about JOY.

ELEMENTARY NEWS

LEARNING ABC's

The Kindergarteners hit the red carpet sharing their ABC designer vests while Mrs. Bronson and Mrs. Ruiz narrated the star studded event. Kindergarteners have been working hard learning the letters and sounds of the alphabet. They showcased their accomplishments with the 1st annual ABC Fashion Show. Each student was assigned a letter and then decorated their "fashion vest" with pictures and words that represented their letter. Parents cheered on their ABC stars!

ATHLETICS

GIRLS VOLLEYBALL, UNSTOPPABLE!

Over the weekend of Sept 28-29, girls volleyball achieved more milestones for the program while playing a big schools tournament against many D1 teams. Friday night, the team went 3-0 to head toward the gold playoffs. First thing Saturday morning, Coach Beiler had her 100th varsity win as a Maranatha coach. Later that same day, Maranatha defeated the 2017 CIF D1 champions, Santa Fe Christian, in a 3-set battle. This victory means the Eagles have won against every 2017 defending CIF champion they have faced from divisions 1, 2, 3, and 5! The team finished 3rd in the Gold Bracket. The Eagles, 25-4 overall, are currently 4-0 in league play with several home matches coming up. Hope to see you there!

NEWS FROM THE CHAPEL

FALL 2018 BIBLE STUDY

This year we're focusing on learning to pray the Word. Jesus offers us bread to eat daily- whether or not you can consume gluten, He has bread for you! We can't wait to see what fruit He brings as we press into this practice! For details click [here](#) or on the image below.

NEW STUDY IN ROMANS: ABOUNDING GRACE-BECOMING A MAN OF GOD

Tuesday at 7pm in the Fellowship Hall

Training Camp is for all men, and its purpose is to help guys effectively grow as men of God, and to experience a consistent and faithful relationship with our Lord Jesus Christ.

Why do we call it Training Camp?

...Because this is where we train and prepare! We are training and preparing to get out on the field as faithful, committed, and effective Christian men and make a difference in our homes, our neighborhoods, our workplace, and our community!

At Training Camp, we have outstanding worship with leaders like Gary Rea and Kyle Hildebrandt, and cover topics that are relevant to men's daily lives. For details click [here](#) or on the image below.
