"Be shepherds of God's flock that is under your care, watching over them—not because you must, but because you are willing, as God wants you to be; not pursuing dishonest gain, but eager to serve...and when the Chief Shepherd appears, you will receive the crown of glory that will never fade away." -1 Peter 5:2&4

THANK YOU PAC!

A heartfelt THANK YOU to our Parent Action Committee (PAC) for their generous gift of the 'All Things' wall in our end zone. It's the perfect addition to our beautiful fields! And thanks to our artist, Dave Yant, and painter, Gary Simpson! We are blessed by so many generous hands and hearts!

MARTIANS VS. METEORITES

In what has become quite the school-wide tradition, Maranatha Christian's High School girls took to the gridiron on Tuesday for the annual Homecoming Week Powder-Puff Football Game. And equally special, because the girls had the opportunity to play on the new fields!

The match up, Martin's Martians (upperclassmen) against Madewell's Meteorites (lowerclassmen). With all K-12 students in attendance, the energetic cheering was at a fever-pitch. Halftime entertainment was provided by members of the Varsity Boys Football Team who put together their 'best' performance! However, there can only be one winner and Martin's Martians took the win for the upperclassmen!

JUNIOR HIGH NEWS

TAKING TIME FOR TEA

It was an immersive experience for 7th grade this week, as Mrs. Hodson hosted a Japanese Tea Ceremony. As a conclusion to their study of Japan, the class was able to experience the traditions of the Japanese culture while being served tea and a snack.

TRIANGLES...THEOREMS...HMMM

Math can be fun especially when you use paper, scissors and rulers. To help students visualize relationships between angle measures in triangles and parallel lines, Mrs. Marks' 8th grade geometry students created manipulatives to help them prove triangle theorems. Hands-on projects such as this one helps students to retain the information being taught more effectively.

ELEMENTARY NEWS

FABULOUS FANS

Our elementary students got in on the action and were loyal fans for the powderpuff game! Mrs. Pritchett's first grade class loved being able to cheer on the underclass men. They all returned to class and said, "We won because we are all Eagles!" They also found their fifth grade buddies and came together during the game to cheer on the teams!

PRESCHOOL NEWS

STOP, DROP, AND ROLL

October is Fire Prevention Month and Firefighter Thomas, from the San Diego Fire Department, stopped by to teach our preschoolers all about fire safety. He read the students a book about the many tasks firefighters do, and showed them the gear firefighters wear to protect themselves on the job. He also demonstrated the stop, drop, and roll technique!

ATHLETICS**EAGLES PUSH THROUGH TO WIN**

It was an impressive day for the Maranatha Christian Varsity Football team as they defeated Pacific League opponent Escondido Charter 34-19. It was the schools' first win on their new state of the art field.

When high school football players are used to playing on cool Friday evenings, a Saturday afternoon game in 90 degree heat is no easy feat. However, that didn't seem to effect Maranatha as they put up the best offensive performance of the year, with 424 total yards which is nearly double any other game they have played.

The strong offensive performance was led by Sophomore Isaac Stone and Junior Max Johnson. Stone led the team with 150 rushing yards averaging 6.8 yards per carry. Johnson also played his best game of the season having 108 total yards (81 rushing and 27 receiving).

With a strong finish, Maranatha has a chance for playoff berth and is looking to carry this momentum into their final three games. They will play host to Orange Glen tonight, which is also the Homecoming game.
