## OPERATION CHRISTMAS CHILD KICKOFF

Operation Christmas Child is on the move! We kicked off the season with Rick Riehman at Chapel this week, which is always a heartwarming event. O.C.C. is a school-wide project designed to spread the gospel of Jesus Christ to children around the world who are suffering from war, poverty, disease, and natural disasters.

Every student will have the opportunity to pack and send shoeboxes filled with collected grade specific items such as: handmade toys, written letters, and literature about the gospel, 'The Greatest Journey'. This will take place during our annual school-wide packing party in the courtyard on Friday, November 8. The efforts put forth by our students is a powerful way for them to learn to serve others as our Lord Jesus Christ has served us (Philippians 2:3-4). Stay tuned next week for a packing list and more details!

## HIGH SCHOOL NEWS

### ATHLETES HUDDLE FOR JESUS

The high school Fellowship of Christian Athletes held their first huddle of the year with guest speaker and head football coach, Rick Brown. Coach shared about his first ever head-coaching job in Covina, California where he inherited their best team in 30 years. However, with playoffs around the corner coach discovered that he had an ineligible player. He was faced with the decision whether to turn in his team and possibly miss playoffs or ignore it. God nudged his heart to speak the truth and with Jeremiah 29:11 and Romans 8:28 as his inspiration, Coach reminded the athletes that God's plans are greater than ours. The redeeming part of the story was that Covina was allowed to play and went on to win the 1980 CIF Eastern Conference Championship!

### MIRACLES AND WATER!

Mrs. Carter's 7th grade Bible students brought the miracles of Jesus to life! They used puppets to role-play one of the first miracles that we read about in the book of John where Jesus reveals His glory in changing water to wine. The story shows us the glory of His excellence and abundance of provision, even as a guest at a wedding!
