## ALL SCHOOL NEWS

### HAPPY SPRING FESTIVAL TO YOU!

International students shared in the celebration of Spring Festival during lunch this week, celebrating the Chinese New Year as well as the Lunar New Year. They welcomed students to try their hand at Chinese calligraphy and language lessons, a sampling of cuisine including dumplings, fortune cookies and authentic candy.

Typically it is a holiday in their culture, where they spend time off with relatives and enjoy traditional cuisine, welcoming in the New Year. We know our International students are far from home, but we hope this celebration brought a piece of home to MCS for them.

Come in to the Chipotle at **10550 Craftsman Way Suite 180** in San Diego on **Tuesday, February 26th** between **4:00pm** and **8:00pm**. Bring in this flyer, show it on your smartphone or tell the cashier you're supporting the cause to make sure that 33% of the proceeds will be donated to Maranatha Christian Schools.

MEXICAN GRILL

Online orders will not be included in the fundraiser total. To ensure your purchase is counted in the fundraiser, be sure to order and pay in-restaurant. Gift card purchases during fundraisers do not count towards total donated sales, but purchases made with an existing gift card will count.

## EYEGLOSS MINISTRY

Do you have any of your old prescription eyeglasses laying around your house or in a drawer and you just don't know what to do with them? Your donated glasses can help people in need all over the world read the Gospel of Jesus Christ. A donation box is now located in the front office. Simply bring in your glasses, place them in the box, and we'll do the rest. Your glasses will be sent to Global Eyeglass Ministry, an organization who helps Bible-believing churches set up vision clinics all over the globe and spread the Gospel. Thank you for supporting this life-changing cause!

### ROBOTICS COME ALIVE

In Elementary Robotics, they have launched a new afterschool program with students from 1st to 3rd grade. The program is led by Mrs. Pritchett, has a total of 31 students and a handful of amazing parent volunteers and some much appreciated middle school helpers! They are two meetings in and so far the kids have learned how to program simple robots as well as the ins and outs of algorithms and debugging. How incredible are those robots!
