A SWINGING SUCCESS

We have some amazing golfers in our community with great hearts who support our Athletics Department. Our Annual Golf Tournament had an exceptional turn-out, and our generous golfers and sponsors helped us raise a considerable amount of funds. Our grand champions for the tournament were: Steve Shuey, Matt Hunt, Stacey Hunt and Geoffrey Chackel! Great job!

All proceeds will be going to the MCS Athletics Department in order to provide an active and thriving environment for our students. A special thank you to all who participated and volunteered to make this event a success!

WELCOME USMC!

We also had a special visit on campus from local USMC representatives who shared with students about a career in the Marines. As a fun introduction, they challenged students (and even a few teachers) to see how many pull-ups they could do. It quickly became quite the event as students gathered around to see who had what it takes to be a Marine.

JUNIOR HIGH NEWS

DISCOVERING WAYS TO REUSE AND RECYCLE

You can always find science class with Mrs. Vogel to be creative and innovative! Students worked in groups and had the task of building water filters and exploring ways to reuse greywater for gardens. They tested the turbidity, also known as the clarity, of water before and after designing their filtration systems. As you can see from the before and after, the students successfully figured out a way to build a functioning filter system. A great lesson in thinking creatively and reusing the resources God has given us!

ELEMENTARY NEWS

FOURTH GRADE GOLD DUST OR BUST

We had a special performance by the 4th grade class, led by Mrs. Willis and Mrs. Werner, where they took us on a journey through the great Gold Rush. The students and teachers have been working hard over the past few weeks, occasionally seen rehearsing and practicing in the courtyard. Their performance was a summary of all that they have learned so far in studying the state history of California. Well done teachers and students, it was a gold winning performance!

PRESCHOOL NEWS

IT'S A PARADE FOR JESUS!

Mrs. Backues' 3 year old class had a parade to celebrate Jesus! It was quite the sight to see and hear their precious voices ringing through the campus, holding nothing back from praising Jesus. They creatively designed their own hats for the occasion and walked outside with their musical instruments, singing worship songs loud for all to hear!
