THE NEWS LETTER

FROM THE DESK OF

JESS HETHERINGTON

SUPERINTENDENT

Click [here](#) to go to the most recent flipbook.

This first phase of the athletic complex includes sports fields and does not include all of the "bells and whistles" beyond the turf and fencing. What is not included in the \$3.5 million "Finish the Fields" project are stadium bleachers, baseball/softball bleachers, and funding for future lights. The plan is to continue raising portable lights and home stadium bleachers for the football season. While grading is still happening for the fields we are hopeful that we can still raise the additional funds to fully install permanent bleachers for MCS fans by August and begin the permit process for future field lights through the County.

Phase I

- Sprint lanes/Ramp Pit: Synthetic Turf with Organic Infill for football, soccer, softball and baseball fields (\$1.5 million)
- Additional multi-use (natural turf) practice field

Deferred Items Not in Phase I

- \$386K - Stadium bleachers
- \$50K - Bleachers - baseball and softball
- \$75K - Stadium press box
- \$900K - Field lights

TOTAL: \$1.4 million

The installation of permanent bleachers for our fans and field lights will have a tremendous impact for our fans, student-athletes and allow for an incredible amount of flexibility in practice times and field availability for the coaching staff.

Please take a moment to prayerfully consider donating towards these items. You can give by clicking on the FinishTheFields.org or scan the QR code below:

Should you have any questions about the "Finish the Fields" project or about donating, please contact our Development Director, Soncece Partida for further help at SoncecePartida@maranathachristianschools.org or by phone (938) 759-4732 Ext. 347

To God the Glory,

Jess Hetherington

A SHOWCASE OF STUDENT TALENT

The MCS Art Show was on display last week, concluding on Thursday night with the grand showcase. We were dazzled and awed by the gifts of our student body. MCS families were able to walk through the exhibits and take in the different art projects. Students who attended had the special task of completing art bingo which required them to pay attention to the intricate details of the art. If they completed their bingo correctly, they received a prize and special treat! It took great preparation by our dedicated Art Department and class teachers to guide the students in these projects, and we think they did an incredible job.

High School also had a gallery to showcase their incredible handiwork as well. Teachers and students worked together to produce a variety of art including: drawing, painting, graphic design, photography, film, and more. A favorite among them I was the simple, yet incredibly moving drawing of a portrait of Jesus that took 'Best in Show'.

We want to congratulate all our students who worked hard and put forth their best effort! Thank you to our teachers for their dedication to making the event a great success! See below for our winners!
