GOING OUT IN SONG AND GRATITUDE!

There is no better way to send us into the summer than experiencing God's love and goodness through what was our last All-School Chapel on Wednesday! This week's chapel kicked it up a notch with a wide variety of music and talent — including performances by the HS Worship Team, HS Instrumental Music, HS Choir, Drumline, Jazz Band, JH Choir, 5th Grade Band and the 4th Grade classes. It's a special time when we gather as one community with one goal, to celebrate all that God has been faithful to do throughout the year. We treasure the special time throughout the year and look forward to seeing all our MCS families next year for more!

ELEMENTARY NEWS

GROWING AND LEARNING IN THE GARDEN

We have a faithful caretaker of our MCS garden, Mrs. Hughes, who enlists the help of students throughout the year to tend to the garden. The elementary garden is beautiful with: nasturtiums, begonias, lobelia, and many other flowers and succulents on the small playground. Our TK-3rd grade students grow a variety of plants from seeds, bulbs, cuttings, and transplants in their monthly garden classes. They learn about plant needs, root and plant structure, weeds, insects, butterfly habitat, the effects of weather, and making observations. Some special projects included planting daffodil bulbs and recording their growth, harvesting radishes grown from seed, examining how sunflower seeds are set in a flower head and harvesting the seeds. The garden serves a great opportunity for our students to learn to work diligently and experience God's creative design through plant life!

“Thank you for the privilege of teaching your students about God’s creation!” –Mrs. Hughes
