SUMMER 2019 OFFICE HOURS

CREATIVELY INSPIRED BY CONSTRUCTION

Students in 8th grade watched daily from their classroom window as the MCS fields are redesigned to accommodate a larger and more modern sports complex. The students were inspired by the hard work of the Hellas Construction team, and shared their gratitude and appreciation in the form of poetry. Please enjoy their pieces below!

Poem 1

Tractors going skirt, skirt,
Mixing up all the dirt.
While you are planting the fake grass,
We look out the window of our class.
You Hellas,
Are sure nice fellas.
Thank you for digging up the track,
So we don't have to run & have a heart attack.
Nowhere left to play our sports,
Which means no more ugly P.E. shorts!
We thank you & so does God,
For giving us our brand-new sod.
Soon there will be no more fences,
To guard us from our big expense.

Jesus loves you and so do we!

EAGLE EXPRESS

Poem 2

We look out the window, and what do we see?
We see future plastic vegetation for you and for me.

In math class we factor, but as we look outside, we
see tractors.

God's beautiful creation, in the hands of these men.
Our field for sure is going to be a 10 out of 10.

We appreciate you and all that you do.
Now our fields are going to look brand new!

Encore

"The fields are done!"; Coach Rogers shouts.
"We've been waiting all summer, since we got out!"

Now we get to enjoy the fields all year, and excel in our sports, as Coach starts to tear.

Thank you, Jesus, and Contractors too,
For these amazing fields to run on, "woo-hoo!"

Poem 3

Hard work on the field
The work being done will eventually yield
Construction and heavy machinery
Planting artificial greenery

The fields essential to our sports
Football, baseball, and all other sorts
Without the work that you have done
No athlete there would have any fun

You are very honorable
Your work is very favorable
We thank you for your service

ELEMENTARY NEWS

YEEHAW – IT'S PIONEER DAY!

As a conclusion to their history unit this year, the 4th grade classes had their annual Pioneer Day. The echoing sounds of a hammer could be heard on campus as they stamped metal art, using only tools that would have been accessible to pioneers which in this case was a simple rock and nail. Next, they moved onto making their own butter, using only the energy of shaking the jar back and forth to churn it. The ladies and gentlemen wore their best pioneer attire to immerse themselves in the activities. A stop at the 'chuck wagon' was needed for essential nourishment after all of their pioneer activities. A special thanks to the 4th grade moms for bringing the chuck wagon 'round!

PRESCHOOL NEWS

GRADUATING TO THE 'BIG' CAMPUS!

The Pre-K classes had their promotions, and now these sweet angels are moving to the big school. It was a sweet day for both family, friends and staff to see how the students have grown over the span of the school year. The entire preschool staff are so proud of all of the students and know they will thrive on the 'BIG' campus!

ATHLETICS

PLAY OFF ROUND UP

Our high school athletics had an impressive week, with both the varsity baseball and softball teams advancing to the CIF Playoff Tournament. Read below for a quick recap!

Varsity Baseball – A huge win over the weekend meant the varsity boys baseball team advanced to the semifinals. They needed a win both Tuesday and Wednesday in order to move onto the championship and while they did not come away with the necessary win. We want to acknowledge their great determination and work ethic throughout the season!

Varsity Softball – Our varsity girls softball team finished their regular season, for the first-time ever, by clinching their league and moved onto the CIF playoffs. A loss on Saturday left them in an elimination position and a needed win on Tuesday. The ladies answered the call against Kearny and came away with the win putting them one game closer to the championship. A great effort was made by the team in their playoff games and we want to congratulate them on a great season overall. Their league banner will be displayed in the MCS gym for years to come, serving as a great reminder of their hard work and dedication.
