

2017-18 7th & 8th Grade Electives

Name _____ Grade _____ Date _____

1. Please choose four electives below and circle a number showing order of preference (1, 2, 3 and 4).
2. Elective placement will be based on student's choice and class availability for both semesters. If the student received their first choice for Semester I, we will place them in one of their other choices for second semester. Students who desire to take year-long electives may need to test out or complete their one semester of Computer Class during the summer. ***This is the only elective course selection you will receive for the year. Elective course offerings are subject to adequate student enrollment.***

Required Classes:

English
History
Mathematics

Bible
Physical Education
Science

(Students are placed according to end of year testing)
