OPENING NIGHT AT THE MCS FIELDS!

— GRAND OPENING —

October 4, 2019

Maranatha Christian Schools

It's happening! Don't miss this exciting evening on Friday, October 4 at 7pm! We can't wait to officially open the fields for our first football home game. Come hungry for a special tailgate buffet hosted by PAC which will make for a great event for the whole family. We invite you to cheer on the football team as they face-off against La Jolla Country Day. See you at the fields and be sure to wear your best Maranatha spirit wear!

KOINONIA - SEE YOU AT THE POLE

Join us for the first Koinonia breakfast of the year on Wednesday, September 25 hosted by PAC! We welcome our families to join us before chapel for food and fellowship, followed by a special 'See You at the Pole' Chapel! Check out the video below for a glimpse into our special Koinonia time!

MAY GOD BLESS AMERICA AND MCS!

The first all-school chapel of this year was a 'declaration of dependence on God!' It was a special time of worship and music by our students and a tender reading by some of our staff. We honored those who have gone before us in service and also recognized current and former members of the armed forces. The experience was a somber reminder of the great lengths individuals have gone to protect our freedom and country—to them we are deeply grateful and thankful.

FAMILY PRAYER WALK

Every Monday morning and Sunday evening, a sweet and faithful group of moms meet in prayer to lift up our students, staff and campus. They met this past Monday for a special family prayer walk around the campus. Our hearts are filled with gratitude knowing they are covering the school in prayer and interceding on our behalf. If you would like to join in this time of prayer, they meet every Monday morning from 8:20am-9:20am in 'The Makery'.

“I thank my God upon every remembrance of you, always in every prayer of mine making request for you all with joy.”

—Philippians 1:3-4

HIGH SCHOOL NEWS COLLEGE VISITS @ MCS

Our College & Guidance Department invites colleges of all levels to MCS for our HS students to meet and discover college & career paths. One of the reasons we host various colleges is to give our students an opportunity to connect with the representatives of each college. These university presentations are designed to help students gain insight into some of the colleges that they would like to attend. By identifying the colleges, students can then select HS classes that will help to meet the admissions requirements of their selected choices.

Thank you to PLNU and ACU for coming to speak with our students!

COME JOIN THE CLUB!

Our HS students came out in large numbers to check out the various clubs offered at MCS. It was a great turn out! Students showed interest from classical music, design, debate, film, and more. The courtyard was buzzing with activity as students signed up for their choice of clubs. Clubs are an important part of a student's high school experience. It's a fabulous way for them to meet other students with like interests!

STUDENTS MARVEL AT THE PENTECOST

You can always expect Mrs. Carter to bring life to the lessons of the Bible! The 8th grade students studied Acts 2 and like the apostles during Pentecost, the students spoke of the “wonderful works of God (Acts 2:11).” The little portable fan serves as a physical reminder of the life giving wind and the candle represents the tongue of fire!

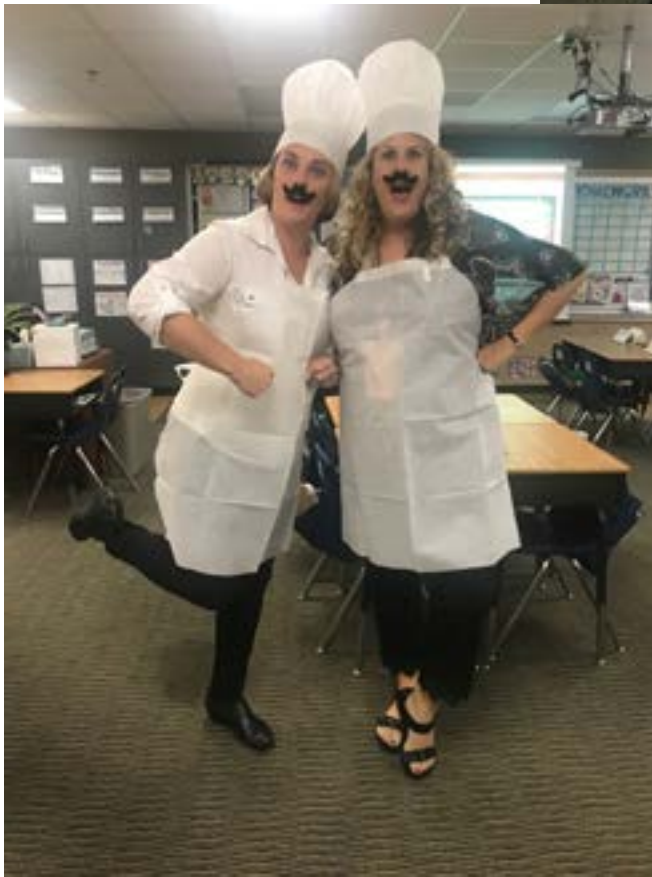

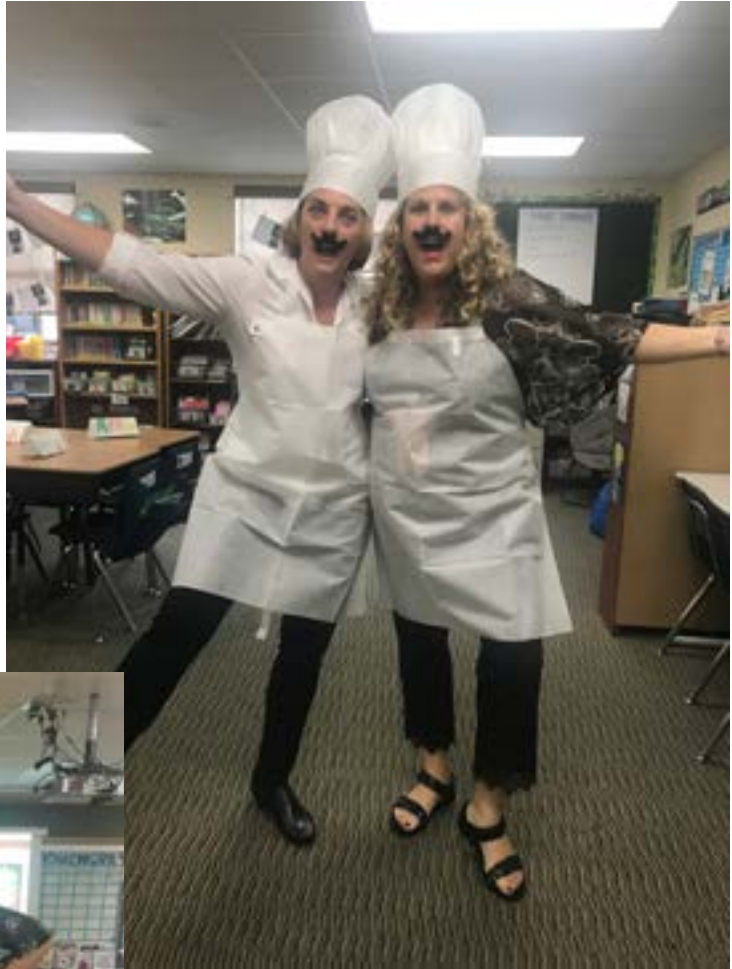

**We proclaim, “We are the church,
on mission, for His Kingdom!”**

ELEMENTARY NEWS

A TASTY BOOK TOUR

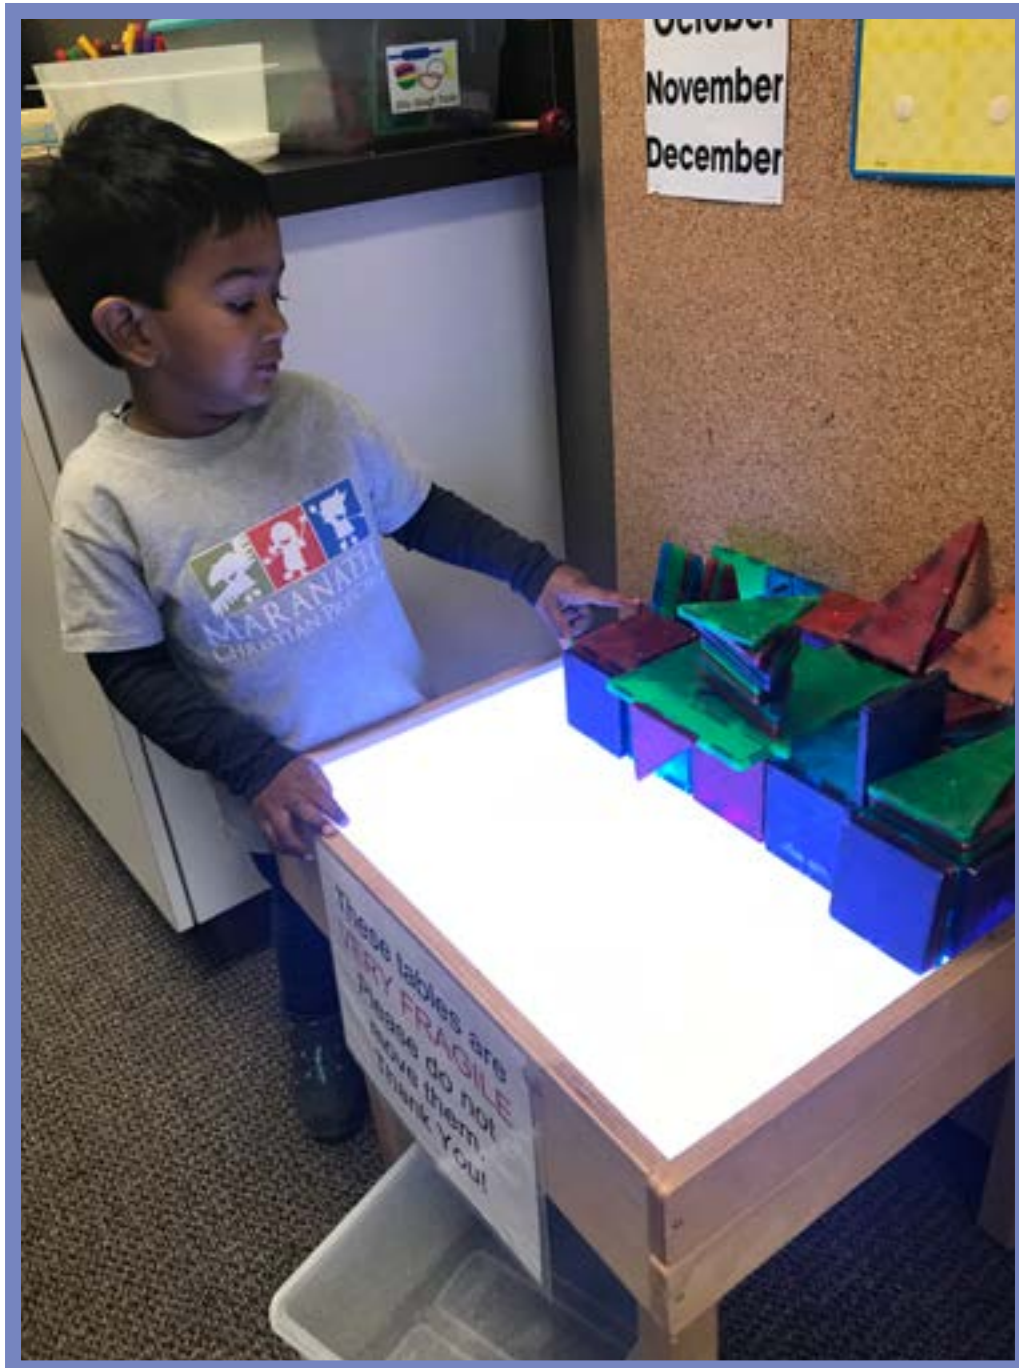

4th grade students had their first ever 'book tasting' and the feedback was delicious! Mrs. Willis and Mrs. Werner were Mario and Luigi (a.k.a. The Book Brothers). As the students came into the 'restaurant', they each received a menu and sat at tables with an assortment of books. They 'tasted' new books and wrote the title down if they wanted to continue reading their book. As they rotated throughout the 'restaurant' they were able to try out all kinds of genres. A delicious treat went along with each station and genre! By the end, most kids were saying, "Mamma Mia! We love to read!"

PRESCHOOL NEWS

BUILDING A FRIENDSHIP TOGETHER

Take a look into this precious snapshot of the 3-year-old classroom! It's an activity where two friends worked together using magna-tiles to build a house complete with a door and windows. The minds of the young ones working creatively and constructively, collaborating with their fellow classmates is what Preschool is all about!
