NEW FACES, NEW PLACES!

Your friendly MCS Front Office staff and Principal assistants welcome you to another wonderful school year at Maranatha Christian Schools!

Pictured from left to right: **Roxy Reycasa**, Front Office Assistant; **Raquel Aguilar**, Attendance Clerk; **Ori Brown**, HS Administrative Asst.; **Lisa Black**, Elem. & JH Administrative Asst., **Amy Youssi**, Executive Assistant to Superintendent/Office Manager

NEW FACES!

We would like to introduce our newest staff member supporting the front office, Mrs. Raquel Aguilar. Mrs. Aguilar also serves as our Attendance Clerk. If you need to report your student's absence, feel free to call the school (858-759-9737) and ask for Mrs. Aguilar or her voicemail. You can also report absences via email at: attendance@maranathachristianschools.org.

NEW PLACES!

We all know and love our former Attendance Clerk, Mrs. Kelly Rupp, who served us in that role for the past 7 years! Over the summer she transitioned into the Admissions Department where she is a great addition to the team. Mrs. Rupp has a deep love for our school and program, and we are blessed to have her continued service in Admissions.

We look forward to seeing you and your students on campus! Have a blessed year and thank you for making every day a great day at Maranatha Christian Schools!

EAGLE EXPRESS

FRIENDLY PARKING REMINDER

As you arrive for drop off and pick up, we want to remind you that the designated parking spaces with the name placards are strictly reserved for those families, no matter the time of day. We know it can be appealing to pull into one of these spaces quickly and drop off/pick up. However, these families were a part of a fundraiser and the spots have been designated for them. We appreciate and thank you for your understanding and patience!

PROJECT LEAD THE WAY

Students in Mrs. Brown's JH Engineering class discovered how science can heal! The first design and modeling assignment of the year was to create an ankle orthosis for a patient with cerebral palsy. These students are a part of our school wide initiative, Project Lead the Way, which empowers students to adopt a design thinking mindset through project based learning, compelling activities and hands-on projects. The goal of this program is to continue to challenge our students to become creative collaborative problem solvers.

MCS AT POWAY DAYS PARADE

JUNIOR HIGH NEWS

ZOOMING IN!

Mrs. Vogel's 7th grade students began a unit on cell theory and took a closer look at the different structures in cells. They used the microscopes to zoom in on living and non-living specimens on the slides. As they study the intricate structures, it's hard to overlook God's handiwork in the design of His creation!

3D GEOMETRY

Eighth grade math students in Mrs. Marks' class visualized geometry using nets of 3D figures. Students used items found in their home to help them visualize net drawing of objects. While Geometry is a high school class, this course is offered to qualifying 8th grade students in MCS' Junior High program.

ELEMENTARY NEWS

TRUE OR FALSE: WHAT SIN DOES TO MY FRIENDSHIP WITH GOD

Wednesday Chapels are a special time designed to teach and equip students with the knowledge and love of God. For elementary, they are discovering the Bible's 'Big Truths' about having a personal relationship with God. Mrs. Young, our 4th grade teacher, was the guest speaker this week and shared from Genesis 3. She told the story of how Adam and Eve broke their friendship with God in the garden because of sin. Mrs. Young painted a great picture for the students using pool noodles to explain how sin can separate us from God. However, if we are honest and confess our sin, it restores our relationship and friendship with Him again!

PRESCHOOL NEWS

I SCREAM, YOU SCREAM...PRESCHOOL SCREAMS FOR ICE CREAM!

Our annual family Back to School night had a great attendance, and was a very special night. While our teachers are in their classroom, it's the preschool students who put their 'tour guide' hats on and show their parents around. After the tour of the classrooms, families gathered and enjoyed an ice cream social. As you can imagine, it was a delicious time, and a great start to a wonderful year!
