MARANATHA
CHRISTIAN SCHOOLS

Maranatha Christian Schools Performing Arts

Willy Wonka Youth Musical at Maranatha Chapel Nov 10-12

The most magical ticket on the planet is the one to Willy Wonka Jr., a musical stage adaptation of Charlie and the Chocolate Factory.

Maranatha Christian Schools' all-youth cast will delight families with comical Oompa-Loompas, wacky inventions and edible masterpieces. Families will enjoy hearing cherished songs like 'Pure Imagination' and 'The Candyman.'

This delicious production will take place November 10-12 at Maranatha Chapel.
Show times: Fri 7pm | Sat 11am | Sun 5pm & 8pm.
Buy tickets online for \$12 (children under 5 are free). Sign up for tickets [here](#).

SORTING THINGS OUT

Gita Tambiah and her amazing team of parent volunteers hosted the annual 'Sorting Party'. All of your generous donations were sorted and organized in preparation for Friday's packing party. The amount of donated materials, as well as the amount of parent volunteers that came out to help, were at an all-time high! Thank you to all who have been moved to participate in Operation Christmas Child in various ways.

SHOUT OUT TO BOX TOP 1ST QUARTER WINNERS!

Shout Out! To the following for winning a Free Dress Day by bringing in the most 'Box Tops' during the 1st Quarter!

- **Elementary Winner - 1st Grade with "728 Box Tops"**
- **Junior High Winner - 7th Grade with "574 Box Tops"**

We are currently collecting 'Box Tops' for the 2nd Quarter!

So far, Kindergarten, 1st and 2nd grades have already turned in 'Box Tops' for the 2nd Quarter.

Join the race for a Free Dress Day! The 2nd Quarter competition runs through Friday, December 15 at noon, and the winners will be announced at the first Chapel in the New Year!

Here's for ripping, snipping, and clipping Box Tops!

Mrs. Cheri Turner, Librarian/TA

The largest learning event in history

During Computer Science Education Week
December 4-10, 2017

HOUR
OF
CODE

MCS students are busy preparing for the global event, 'Hour of Code,' throughout the month of November. During the event, all MCS students will spend an entire hour coding in a program of their choice. If you'd like to know more about coding, or would like to try your hand at coding yourself, go to hourofcode.com and check it out! Code.org curriculum is implemented at MCS across all divisions. Computer Science helps nurture problem solving skills, logic and creativity. By starting early, students will have a foundation for success in any 21st century career path.

PAC'S POST

THURSDAY, NOVEMBER 9 | 8:30-9:30am | HS Multipurpose Rm

Let's get together! Join us Thursday, November 9, 8:30-9:30am in the Multipurpose Room to hear our Superintendent, Jess Hetherington, talk about what's happening now at MCS. The talk will be followed by a Q&A. We'd love to see you there!

It's easy to join our volunteer list!

Just send your email address
by text message:

to **22828** to get started.

Message and data rates may apply.

JUNIOR HIGH NEWS

JH ASB UHHHMAZING NIGHT OF FUN NOVEMBER 9 | 5-8PM | MCS Gym

Come join us on ASB's Uhhhazing Night of Fun – we'll play games, run around in the dark on a campus scavenger hunt, eat junk food, and have an awesome time! All for only \$5! Click [here](#) to sign up. If you'd like to bring goodies or volunteer, click [here](#).

PRAISING HIM ALL THE TIME

JH Leadership worships in their student-inspired T-shirts at chapel.

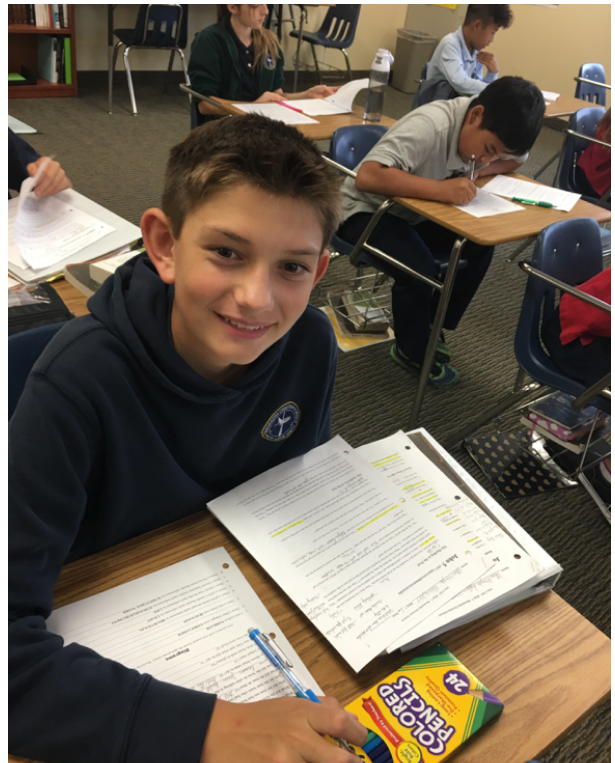

STUDENTS GIVE A TASTE OF SPAIN

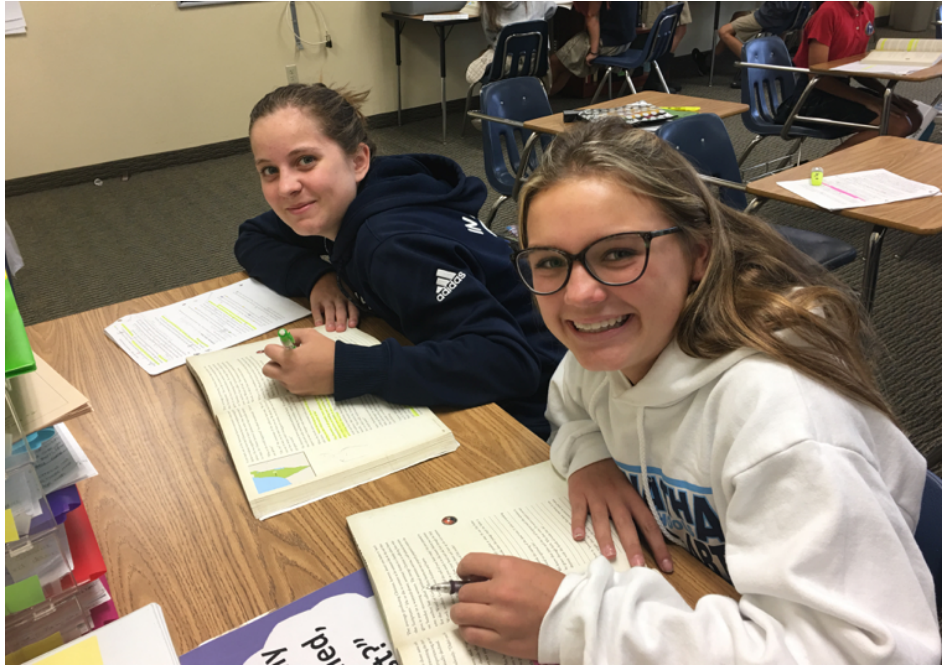

Sixth graders Levi L. and Charlotte G. presented posters about a Spanish speaking country and brought in samples of traditional food to enhance the experience in Exploration Spanish with Mrs. Beiler.

JESUS PROVES HIS DEITY IN THE GOSPEL OF JOHN

JH students dig deep into the Bible, breaking down the key lessons God wants to show us in the Gospel of John.

ELEMENTARY NEWS

Elementary Robotics teams are getting ready for their first competition. They will head off to the Qualifying Tournaments in early November in hopes of advancing to the next qualifying Tournament at Legoland. Projects will be judged on Fist Legoland Core Values and the performance of the robot.

HYDROBOTS GIVE THE GIFT OF CLEAN WATER

The HydroBots Robotics Team enjoyed full access to The Makery this month, presenting a science lesson to their fellow 5th grade students. The team researched and created water filters from a turkey basters, cotton balls, activated charcoal and crumpled paper coffee filters. A simple and clever design, the water filter allows unclear water to be dripped through the top of a turkey baster. As the water filters through the contents of the funnel, it becomes clean and ready to drink at the other end.

All of the supplies used for the 'teaching part' of the project were readily available in the Makery: pencils, paper (for funnels) and a projection screen. After the lesson was taught by the students, classes went to work on constructing additional filters to be included in Operation Christmas Child boxes sponsored by the HydroBots Robotics Team.

The HydroBots funded 45 emergency water filters and sanitation kits, complete with 'pictograph' instructions, as part of their fully packed OCC boxes. The gift of the Makery will keep on giving when the water filters are distributed around the world next month to bless underprivileged children.

PRESCHOOL NEWS

PRESCHOOL BLESSING BOXES

Our mission is to fill the hearts of the homeless with Christ's love right here in San Diego. This Christmas season, preschool children and families will be able to bless a 2-5 year old child!

It is our prayer your family could take an old shoebox and fill it with items a child would like. You may wish to place in your shoebox basic necessity items, such as toothpaste, toothbrushes, hair brushes, shampoo, soap, travel size items, small toys, band-aids, left over candy and more. Please wrap your shoebox with Christmas paper and label the box with Girl/Boy and age.

Please feel free to have your child drop off their box in the office. We will be collecting boxes through Nov 28.

ATHLETICS

GAME DAY!

Friday, November 3 vs. Francis Parker @ 7pm at MCS
