Vision Statement for Maranatha Chapel

The simple and yet powerful truth of Jesus' statement in John 14:6, "Jesus said unto him, I am the way, the truth, and the life: no man comes to the Father, but by me."

Evangelism Showing the Way, **Discipleship** Teaching the Truth, **Mission** Living the Life.

Statement of Faith

We believe in one God, eternally existing in three persons: Father, Son, and the Holy Spirit.

We believe that Jesus Christ, the Son of God, is fully God and fully man, having been conceived of the Holy Spirit and born of the Virgin Mary. He died on the cross as a sacrifice for our sins; He arose bodily from the dead and ascended to heaven, where, at the right hand of God the Father, He is now our High Priest and Advocate.

Our supreme desire is to know Christ and to be conformed into His Image by the power of the Holy Spirit.

We believe the Bible, God's Holy Word, is our foundation.

Therefore: it is authoritative as the rule of faith and is the standard for living.

We believe worship is spiritual.

Therefore: we remain flexible and yielded to the leading of the Holy Spirit to direct our school.

We believe worship of God should be inspirational.

Therefore: music is an integral part of our spiritual development.

We believe worship of God should be intelligent.

Therefore: chapel services and education programs are designed with great emphasis on the teaching of God's Word.

We believe worship of God is fruitful.

Therefore: we look for His love in our lives as evidence that we have truly been worshipping Him.

As a church sponsored school, we neither support nor do we oppose other denominations. We do not, however, agree with the over emphasis of the doctrinal differences that lead to divisions in the Body of Christ. We believe that the true basis for Christian fellowship is God's [Agape] love, which is greater than the differences we possess and without which we cannot claim to be Christians.

General Standards of Conduct and Discipline

MCS students are expected to behave themselves in a manner that demonstrates their understanding and acceptance of school conduct standards and policies. MCS endeavors to provide a safe, orderly and nurturing environment that honors our Lord Jesus Christ. This environment is conducive to learning and growth for each student and encourages personal responsibility for their choices and decisions. MCS students agree to forego behavior and attitudes contrary to the culture of the school and a growing relationship in Christ. They agree that while attending MCS they will endeavor to follow the principle of honoring Christ in all of their actions and attitude.

Obedience, respect, and responsibility are key virtues that students must develop. Obedience to rules and guidelines is essential to the development of maturity (Luke 2:51, Hebrews 5:8). It results in genuine freedom in life (John 8:32). Respect is necessary for all successful and meaningful relationships (Luke 10:36-37, Romans 12:18). In addition, the building of personal responsibility fosters a sense of achievement. Both responsibility and achievement are necessary ingredients to the development of self-worth (1 Corinthians 10:31, Ecclesiastes 9:10, Romans 14:12).

The MCS Administration prayerfully seeks to discipline in a way that is Biblical and pleasing to God, collaborating with parents, as they are able. Since we teach the students to obey and submit to their parents, it is imperative that parents maintain that continuity by upholding and teaching the principles taught at school. The school administration reserves the right to address unique, individual situations that may not be described in the Parent/Student Handbook, in a manner that the school administration deems appropriate. Attendance at MCS is a privilege not a right. The administration makes all disciplinary decisions prayerfully and reserves the right to make all final decisions regarding discipline to include dismissing any student who disrupts the tranquility of the school culture or who fails to meet any of the standards and policies set forth.

INTRODUCTION

Welcome

Welcome to the Maranatha Christian Junior High School Program. We are genuinely thankful for the privilege and opportunity to participate in educating your children along with caring for their spiritual needs. Our desire is to establish a rigorous high school preparatory program that meets the academic and relationship needs of your student(s). Partnering with parents, we can provide an experience that will equip students with the tools they need to reach their academic potential as they grow spiritually in their relationship with Jesus Christ. We believe that God has called us here for that purpose. Please remember to pray for our students and the school staff as we work together with you to train up virtuous and wise young men and women for the service of our Lord Jesus Christ. May the Lord truly bless you and your family this school year.

Accreditation/Affiliations

Maranatha Christian Schools is fully accredited by Western Association of Schools and Colleges (WASC) & Association of Christian Schools International (ACSI). MCS is a member of Association of Christian Schools International (ACSI), California Interscholastic Federation (CIF), and Educational Records Bureau (ERB). As a member of the College Board AP Classes meet Board guidelines and approval process.

Admission Policies and Procedures

We believe the Bible mandates that the primary responsibility of each student's education rests with the parents. We view the role of the school as one of partnership with the parent(s) in this endeavor. In order to establish and maintain a successful relationship it is essential that parents be in agreement with and support the philosophies and intentions of the school as outlined in the Parent/Student Handbook. Attendance at MCS is a privilege and not a right. MCS reserves the right to deny enrollment to any student applicant who does not meet the enrollment requirements of this school.

Maranatha Christian Schools admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at this school. MCS does not discriminate on the basis of race, color, national or ethnic origin, or any other basis prohibited by federal and state law, in administration of its admission policies, educational policies, athletics, and any other school-administered programs.

Parent (or Legal Guardian) and Student Responsibilities

Parents and students are responsible for knowing the information contained in this handbook and for compliance with the policies and procedures detailed herein. For clarification on particular policies or procedures, parents and/or students should contact the appropriate school administrator.

It is the responsibility of all parents and students to be current with information presented from a variety of sources, including the MCS website (maranathachristianschools.org), student Ren Web accounts, parent directed email, and the Parent/Student Handbook.

Parent (or Legal Guardian) Commitment signed at time of enrollment:

At the time of application/enrollment, all parents/guardians agree that they will adhere to the terms set forth in this Parental Commitment for the duration of their student's attendance at Maranatha Christian Schools. We encourage parents to review this commitment and the handbook with their students so that they can work in partnership with their parents to honor this commitment.

Maranatha Christian Schools have been established on the Biblical principle that God has given parents the primary responsibility for educating their children. MCS enters into a partnership with parents, as Christian professionals and educators hired to teach students academics and Biblical values.

It is our hope and desire that all students and families have a personal relationship with our Lord Jesus Christ. Since this is our purpose, we encourage both students and families to have a daily time of personal Bible study, to exhibit brotherly love toward one another, the school, and the community, and to attend a Bible believing church on a regular basis.

- I agree to support the pursuit of academic excellence and the development of Christ-like character at MCS, by being actively involved in our children's educational experience.
- I agree to support the school to the best of my ability through attendance and participation in the various school activities and through prayer, time, and financial gifts.
- I understand the school's standard of conduct which honors God and grants authority to the teacher or administrator to discipline our child when necessary. (The school does not administer corporal punishment.)
- I also agree to abide by and fully support the school's disciplinary policy as outlined in the [handbook](#).
- I understand that attendance at MCS is a privilege and not a right; and that this said privilege could be revoked at any time for unacceptable work or conduct.
- I understand and recognize that the administration has full authority for grade placement and course assignment.
- I agree to support the school by timely payment of tuition and fees as set forth by the tuition and fee schedule.
- I understand and recognize that if our child is participating in the use of illegal drugs, alcohol or other intoxicants she/he will be expelled from the school.
- I agree to be a part of the solution, not a part of the problem when dealing with issues of the moral, spiritual, and social growth of our child at the school. If a problem or concern should arise, we will take our concern directly to the person involved.
- I also agree to follow the "complaint procedure" as outlined in the handbook for any concerns related to this school relationship. (Matt. 18) I understand that decisions made by the school superintendent on the foregoing topics are final and binding.

Changes in Policy

Maranatha Christian Schools reserves the right to amend the policies and procedures outlined in this handbook with reasonable notice. This handbook is not an all-inclusive manual. Sometimes new situations will occur or circumstances will arise not covered specifically by this handbook. The administration reserves the right to exercise its administrative prerogative in responding to these situations.

Philosophy of Education

We believe that parents are God's primary provision for nurturing and educating children (Deuteronomy 6:6-9). Our philosophy of Christian education consists of the home, church and school aligning themselves together to provide a solid foundation for students. The ultimate goal for our students is for them to be conformed to the image of Jesus Christ. It is our desire to come alongside and support the home by serving with parents in matters of education, ministry, and discipline during school hours.

We believe a strong home/school relationship is essential. Therefore, parental involvement and support play a vital role in the academic and spiritual growth of each child. Teachers and parents must regularly and consistently communicate regarding the progress of their child.

The families at Maranatha Christian Schools are encouraged to spend time together daily in the reading of God's Word and in prayer. Developing the proper format and content for your particular family's devotions should be prayerfully considered.

Philanthropy and Annual Fund Support

Your financial gifts to Maranatha Christian School are an investment in or present and our future. They are also an act of Christian service, as the Bible tells us that, “God loves a cheerful giver,” 2 Corinthians 9:7. Scriptures also tells us that we are to “honor the Lord with our wealth” Proverbs 3:9. The Capital Campaign and Annual Eagle Funds are critically important parts of the financial plan for nearly every private school, as its fundamental purpose is to provide financial support for ongoing initiatives. Your gift has direct impact in every classroom on the campus, and each family is asked to give prayerful consideration to the needs of our students and the benefits they will receive through your donation. Please direct all questions about donating to MCS to the Development Department.

Tuition

Maranatha Christian Schools is a self-supporting ministry of Maranatha Chapel. MCS pays all of its financial obligations out of registration and tuition payments.

The tuition at Maranatha Christian Schools is based on an annual rate. Therefore, the amount of each monthly installment has no relationship to the number of school days in each month. Tuition is divided into ten (10), eleven (11), or twelve (12) monthly payments for the convenience of the parent or guardian. No financial adjustment can be made for absences due to illness, holidays or other causes. Facts Tuition Management Company will bill tuition. Failure to make monthly payment will result in removal from school.

Late Payments/Returned Checks

It shall be the responsibility of each school family to keep the school office informed of any changes in their preferred tuition payment plan or adjustments in the amount of tuition to be paid. Without such information, the following policy will apply when tuition payments are received late: A late fee of \$30.00 from FACTS will be automatically debited from the account in the event of an NSF. If a second check is returned, you will be required to make all future payments by cash, money order or credit card. The missed payment will be communicated and reattempted by FACTS at a later date in the same month. School families, who have missed the second payment reattempted by FACTS, must contact the school business office within 5 business days to make suitable arrangements. MCS requires that a student be dismissed from school when an account becomes 30 days past due. To re-enroll your child at the school all past due tuition and associated fees need to be current and your FACTS account needs to be active.

Returning Student Fees

The enrollment fee is the non-refundable fee due when a current student enrolls for the next school year. This is usually due sometime during the winter months and temporarily reserves a space for the student for the following school year. This fee also helps cover the administrative costs of re-enrolling these students.

The returning student registration fee is the non-refundable fee due every spring along with all the required registration forms and paperwork for the following school year. This fee helps to cover the costs of administrative duties for creating & processing all of the returning student's registration paperwork and enables the school to better plan and provide for teacher and classroom needs. Enrollment status will be compromised if these payments are not made on time.

Withdrawal During the School Year

When a student withdraws from MCS, the student's parent must submit a written notice **one week prior** to withdrawing a student and turn it into the school office. If tuition is prepaid, a full refund will be given for all months that the student does not attend any days of school. One half of the monthly tuition will be charged if your child is withdrawn during the first week of the month. NO refund will be given if a student is withdrawn after the first week of any month

ATTENDANCE POLICIES AND PROCEDURES

Introduction

We take our responsibility for our students' welfare and whereabouts seriously. Regular attendance in all classes is one of the greatest contributing factors to success in school. Parents should make every effort to schedule outside activities after the regular school hours. MCS is required to follow the guidelines set by the State of California in regards to attendance.

Absences

Regular school attendance is required by law and is necessary for good scholarship. A student's success is directly related to his/her attendance in school. In addition, effective communication between the school and the parents in regards to a student's attendance is vital. **Parents are encouraged to schedule their child's necessary appointments outside regular school hours.** Any student arriving late or leaving early must be signed in/out through the school office by a parent, guardian or responsible adult designated by the parent.

All absences must be reported to the school office. Absences reported to teachers or staff in lieu of the school attendance office will not be accepted. We highly discourage parents from taking their student out of school for vacation, celebrations, shopping, business appointments, etc. No refund or credit will be given for extended absences due to illness or family vacation. Any absence not specifically excused or described, as an "excused absence" will be considered unexcused. Students with unexcused absences will be allowed to make up missed school work only at the discretion of each teacher.

- **Excessive Absences** - A student who has an excess of 5 absences (excused or unexcused) per semester will receive parent notification. A student's grade can be reduced by 10 per cent (one letter grade) for each increment of 12 absences (unrelated to illness) per semester. A student who has an "unexcused" absence from a class in excess of 11 days per semester may be dismissed from school and may fail the class with no credit earned.
- **Excused Absences** - According to state law, the only legitimate reason for absences are: Verified illness of the student, bereavement, verified dental, medical, or chiropractic appointments (the school may require a doctor's note in order for an absence to count as excused), students legal or court appearance, pre-arranged absence, and/or a planned and approved missions trip. A note dated and signed by a parent explaining the specific reason for the above absence is **required** in order for the student to receive an "excused absence." Students are required to make up all work missed during an excused absence. Parent or students should refer to the MCS website for work assignments as soon as they realize that

class will be missed. Extended illnesses will be handled on a case-by-case basis by school administration.

- **Pre-Arranged Absences** - Family vacations that conflict with a student's school attendance should be avoided. Planned absences require a student to obtain and complete the Pre-Arranged Absence Form from the school office. Student, teacher, and parent must sign the form prior to submission to the appropriate principal, preferably one week prior to the requested date of absence. Work assigned during the planned absence will be issued to the student upon return to class; time allowed to make up work will be equal to the number of days missed for the student to receive full credit. At the discretion of each individual teacher, some work may be assigned in advance as well. Completion of assignments cannot fully compensate for teacher-directed classroom instruction and guided practice. **Pre-arranged absences will NOT be approved for the last seven school days of each of the two school semesters.**
- **Truancy** - Truancy is being absent without the knowledge and consent of parents and school officials. A student is truant when he or she stays out of any part of or all of a scheduled class and/or leaves campus without permission. Parents will be notified of all truantries. Truancy is considered an unexcused absence with no opportunity to make up work. All missed assignments and tests will result in a zero. Truancy is a serious offence and may result in disciplinary action.

Closed Campus Policy

Maranatha Christian Schools operates under a closed campus policy. Student will be not be allowed to leave the campus during school hours without written permission from the parent/guardian and the school administration. Parents are required to sign their student "out" in the school office whenever the student leaves the school grounds. Upon the student's return to the school campus, parents are required to sign their student "in" at the school office.

Tardiness

Excused tardies are limited to: family emergency with parent note, automobile breakdowns, traffic accidents, and extreme personal emergencies. It is the parent's responsibility to ensure that their student arrives to their first class of the day on time. Students who are late to school must report to the school office first to receive a "Tardy Slip" for admission to class. A student is considered tardy to class when they are not in their seat when the bell rings. Teachers are not expected to make accommodation for students arriving late to class in regard to assignments due, tests, quizzes, projects, or other work in progress. MCS practices period attendance. The school administration reserves the right to determine the classification of the tardy.

Sanctions for unexcused tardies per period each semester are as follows:

- First three unexcused tardies **per class/period** result in a verbal warning from the teacher to the student.
- The fourth unexcused tardy will result in a BEN and a detention for the student.
- The fifth unexcused tardy will result in a BEN and a detention for the student.
- The sixth unexcused tardy will result in a BEN, requiring the parent to schedule a conference with the Administration.
- The seventh unexcused tardy will result in a one-day suspension.
- The eighth unexcused tardy will result in a two-day suspension.
- Unexcused tardies beyond the eighth occurrence may result in expulsion.

DRESS CODE POLICIES AND PROCEDURES

Dress Code Introduction

Representing the school in a positive manner is an expectation in all areas of student life, including modesty in dress and grooming. Uniforms are a distinct indication of a student's connection to the school. Handbook regulation concerning the uniform are applicable any time the student is on campus or attending a school sponsored event or activity. Uniforms will be neat, clean and in satisfactory condition. **The administration is the final authority on interpretations of the dress code.**

Dress Code Parameters

Maranatha Christian Schools desires to create an educational environment that honors God and enhances learning. Rules of modesty for uniforms, athletic wear, and free dress apply at all times while on campus. MCS staff works diligently with students to encourage them to be compliant to the dress code by reviewing the handbook with students, handing out modesty cards, counseling and verbal warnings when needed. While on campus as well as when students are participating in school sponsored events, field trips and/or end of the year trips, students must adhere to the established daily dress code/uniform standards. We base our dress code upon the following principles: Modest and Clean (Romans 12:1; I Timothy 2:9) and Pleasing the Lord (I Corinthians 6:20, 10:31 and 14:26b)

Boys – Modesty is defined for boys as wearing pants that are at the waistline and are secured to the waist so as to prevent underwear from being exposed. Tank tops and/or sleeveless shirts are not allowed.

Girls – Modesty is defined for girls as wearing clothing so as not to reveal the upper torso, cleavage, or under garments. Girls are also not to wear form fitting, sheer or tightly fitted clothing in the chest or hip areas, tank tops and/or sleeveless shirts.

All uniforms must be purchased from Sue Mills or Lands' End. Refer to the web links on MCS' website for approved school uniform styles and colors.

P.E. Uniform

A physical education uniform will be required for all boys and girls enrolled in the P.E. program. P.E. uniforms may be purchased via the Athletic Department. Sport uniforms are not allowed instead of P.E. uniforms. Students must wear appropriate footwear approved by the PE coach.

Specific Requirements for Boys:

In consideration of this Biblical standard, the appropriate attire for boys while on school campus or while participating in MCS sanctioned events is as follows:

- Approved school uniform is to be worn as intended by the manufacturer.
- All clothes must fit properly. Pants must be worn at the waist and cannot be altered to change the style. If worn with a belt, it must be plain black without ornamentation.
- Frayed, dirty or ripped uniforms are not acceptable.
- Shirts may be worn either in or out. Stomach and back must be covered at all times.
- Long and short sleeve T-shirts in any school approved uniform colors may be worn under the polo shirt. T-shirts may not have any visible markings, designs, writing, or lettering.

- Outerwear must include the school logo or MCS club/athletic identification. Outerwear may be worn in lieu of polo shirts but must be worn in such a manner as to conceal t-shirts if polo shirts are not worn.
- Jewelry and accessories must be modest.

Specific Requirements for Girls:

In consideration of this Biblical standard, the appropriate school attire for girls while on school campus is as follows:

- Approved school uniform is to be worn as intended by the manufacturer.
- All clothes must fit properly. Pants and skirts must be worn at the waist, and cannot be altered or hemmed to change the style. Altering the waist or hemline to meet modesty standards is acceptable and encouraged as needed.
- Frayed, dirty or ripped uniforms are not acceptable.
- Shirts may be worn either in or out. Stomach and back must be covered at all times.
- Long and short sleeve T-shirts in any school approved uniform colors may be worn under the polo shirt. T-shirts may not have any visible markings, designs, writing, or lettering.
- Length of dresses, skirts and shorts must not be higher than 3 inches above the middle of the knee. Failure to comply with the standard set forth in this section may result in the loss of this uniform option.
- Hair should be neat and clean and natural in color. No extreme hairstyles (Administration's discretion).
- Hats or sunglasses may only be worn outside. Conservative headbands maybe worn anytime.
- Shoes must be worn at all times. When visible, socks must be solid and consistent with approved uniform colors. Tights or leggings may only be worn with shorts, skirts, or dresses. Certain footwear is prohibited, including: Flip- flops, open-toed sandals, and shoes with no back strap. "Flat soled" or regular heeled boots are permitted.
- Tattoos (temporary or permanent) and body piercings are prohibited.
- Outerwear must include the school logo or MCS club/athletic identification. Outerwear may be worn in lieu of polo shirts but must be worn in such a manner as to conceal t-shirts if polo shirts are not worn.
- Earrings, other jewelry, and accessories must be modest. Solid colored and patterned scarves in school approved colors may be worn any day of the week. Scarves with designs, markings, insignias, or writing may be worn on Spirit Days, or other designated non-uniform days, as long as any markings are consistent with biblical principles and the school's code of conduct and moral perspective.

Spirit Days and Dress-Up Days

All dress code standards regarding the principles of modesty apply on spirit days and dress-up days. Students choosing not to participate must wear the school uniform.

- **Costume – Theme Days**
Students are invited to wear clothing appropriate to a specific theme as determined and published by the school administration and ASB.
- **Free Dress Days –**

These days will be announced by the principal throughout the school year. On these free dress days clothing must be neat, clean and modest.

If a student or parent is not sure about any aspect of the dress code or any article of clothing, they are advised to ask the principal directly for clarification before the student chooses to wear the item to school. The administration reserves the right to make decisions on all dress code issues and interpretations.

Dress Code Violations

Students who report to school in violation of the MCS dress code will not be allowed to attend class until they bring their attire into compliance. Students who cannot come into compliance will be referred to the office to seek remedy. Those who are denied access to class due to uniform violations will receive an unexcused tardy or absence with specific classroom late work policies enforced (refer to Homework/Late Assignments in this Handbook).

A BEN will be generated to inform the parents of each infraction. Repeated dress code violations will result in administrative referral, counsel with the parents, and/or the possibility of suspension or expulsion, depending on several factors, including the frequency of the violation. Parents are encouraged to enforce the dress code with their students to avoid the inconvenience of having to come to school to provide clothing that will bring students into compliance and to avoid dress code sanction.

DISCIPLINARY POLICIES AND PROCEDURES

Expected Standards of Conduct for MCS Students

Students are expected to follow the listed standards of conduct:

1. Students will practice courtesy and consideration in their association with teachers, school employees, fellow students and visitors as well as respect their person and property. (See Ephesians 4:28-32)
2. Students will respect the authority of teachers, administrators, and staff members, and treat them courteously, respectfully and obediently as unto the Lord. (See Hebrews 13:17 and I Thess. 5:12-13)
3. Students will abstain both on and off campus and at all times from the use or possession of alcoholic beverages, tobacco, drugs and pornography as well as other undesirable practices that are generally recognized to be harmful to health and Christian character. (See 1 Corinthians 6:19-20)
4. Students will abstain from profanity and vulgar or abusive speech and actions. Such speaking and acting are harmful to others and is certainly not appropriate or conducive to their moral and spiritual development. (See Ephesians 4:29)
5. Students will refrain from public displays of affection on campus. Students are expected to conduct themselves in a discreet and Christian manner. Therefore, while on campus, follow a "hands off" policy.
6. Weapons of any kind to include replicas and toy versions, firearms, knives, water pistols, lighters and matches, etc. are not allowed on school property.
7. Radios, CD players, MP3 players, video recorders, and tape recorders are not allowed at school without school approval. Cell phones should remain in each student's assigned locker from first to last bell. See "Electronic Devices"
8. Students will do their own work—do not give or receive help on tests or homework unless their teacher has granted this privilege on a particular project. Their record should reflect their individual effort. Honesty is a Christian virtue that should be pursued by all students. Cheating is a serious offense. During a test, a quiz, or an exam, it is the student's

responsibility to avoid any appearance of cheating, to include placing books and papers out of sight, not talking or looking around at other students or their work.

9. Students will avoid plagiarism, (definition of plagiarism is "the use of another writer's ideas or words without giving the writer credit for them"). See "Academic Honesty"
10. School rules apply on all field trips as well as on school-sponsored events both on and off the school campus.
11. Student's use of social media/technology of any kind should reflect Christ-like values individually and when interacting with others.

Major Infractions – Office Referral

Major infractions include but are not limited to the following:

- Habitual/Excessive classroom disruption
- Significant or repeated defiance of authority
- Removal from class (students removed from class must go directly to the Principal's office)

Maranatha Christian Schools will cooperate fully with law enforcement agencies in the enforcement of the law and reserves the right to conduct random searches to ensure the safety of our campus and protection of our students.

Basic to Serious Disciplinary Procedures

Introduction

"Listen to counsel and accept discipline, that you may be wise the rest of your days." Proverbs 19:20
The Bible exhorts us to discipline our children because of our great love for them. One of the most important lessons to be learned is the proper response to authority. To accomplish this task, we set disciplinary guidelines that are enforced consistently, fairly, and lovingly. Listed below are the guidelines for addressing daily classroom situations to major problems. Maranatha Junior High School reserves the right to handle each individual discipline situation uniquely as the Lord should lead, as well as individual situations, which may fall outside of the guidelines of this handbook. All disciplinary decisions will be made prayerfully.

The following are the guidelines for addressing day-to-day classroom conduct, general violation of junior high school policies, and major problems. Teachers are responsible for communicating and enforcing all classroom rules as well as MCS handbook rules and policies to students. Teachers will

address all classroom infractions as well as minor infractions pertaining to the guidelines of discipline set forth by school policy. Generally, junior high students are afforded the opportunity to change their behavior via teacher or principal redirection or counseling without notifying a parent. Habitual or more serious behavior problems may require parental involvement. Students are subject to one or more of the following disciplinary options: 1. Parent notification (via Behavior Event Notice (BEN), telephone call, e-mail or referral), 2. Student detention, 3. Parent and student conference with teacher/administrator to develop a plan for changing the student's behavior; 4. student suspension and/or expulsion.

Verbal Warning

A teacher or school official will talk to the student(s) regarding a particular problem.

Parent Communication/Email

A teacher or school official will e-mail a message or Behavior Event Notice (BEN) to inform the parent/guardian of the problem.

Detention

Detention is designed to correct "minor" behavior and repeated unexcused tardy violations. Parents will receive a BEN notifying them of the date, time, location, and the reason for the student's detention. Attendance at the assigned detention is mandatory regardless of school sponsored co-curricular activities in which a student may be participating. Detentions are usually held after school for one hour. Dates and times, and location for the detention schedule will be given at the beginning of each school year. While in detention student are not allowed to complete homework but may sit quietly or read a book. Occasionally teachers may assign lunch detention in their classroom.

Parent Conference

A teacher or school official will schedule a parent conference with the parent, student, teacher and possibly an administrator if necessary to resolve the matter.

Behavioral Probation

Students who habitually disrupt the tranquility of the school culture, academic program, fail to meet any of the school standards and policies, or commit serious violations may be placed on "Behavioral Probation".

The school administration will determine the length and conditions of the probationary period. Any violation of school rules during the period of probation that warrant suspension will automatically result in a review of the status of the terms of probation and may result in expulsion. The administration will meet with all parties concerned to ensure that everyone understands the terms of the probation assigned. A progress report will be issued following the initial conference and during each calendar period that the student is on probation.

If desired improvement is not apparent throughout the probationary period, the student may receive more severe disciplinary action, such as suspension or expulsion from the school.

Any additional incident involving a student who has already been on the behavioral probation contract or behavior probation (including the preceding school year) that requires intervention by a school administrator may result in the student's suspension or expulsion from the school.

Suspension

Suspension is the removal of a student from participation in the normal course of school activities. MCS considers suspension to be a serious disciplinary action, only imposed when other means of correction fail to bring about responsible behavior or when the student commits a major infraction that requires discipline measures beyond routine procedures. Suspensions are generally for a period of one to five school days. The school principal will determine the length of the suspension based upon the severity and/or frequency of the

problem. All assigned work during the time of suspension will receive a zero with the exception of major projects and tests, which must be made up immediately upon return. The student is not allowed to participate in any school activities from the date and time of parental notification through the 24-hour date(s) of suspension. A student who is suspended may also be placed on behavioral probation.

Dismissal/Expulsion

Dismissal/Expulsion from MCS represents the most extreme form of disciplinary action. Dismissal will occur when students are habitually disruptive to the school culture or the academic program, fail to meet any of the school standards and policies, or commit serious violations.

Dismissal is at the discretion of the Discipline Review Committee, which consists of the Superintendent, the Divisional Principals, the Assistant Principal and any other members that the Superintendent deems appropriate. Depending on the severity of the misconduct, a student may be dismissed from school whether or not there has been any prior record of misconduct.

A student who has been dismissed from Maranatha Christian Schools may apply for readmission for the following academic school year. Consideration for readmission is dependent upon the following: the successful completion of a semester of work in an approved program, complied with any/all conditions established by the Discipline Review Committee at the time of dismissal, met all standard requirements for regular admission, and receives unanimous approval by the Discipline Review Committee.

Students and parents may meet with the principal reference any discipline assigned to a student to understand or to discuss the validity of the discipline; however, the MCS administration reserves the right to make final decisions reference discipline. Students and parents are expected to comply with administrative decisions.

ACADEMIC POLICIES AND PROCEDURES

Introduction

Maranatha Junior High School integrates scriptural principles into each area of the subject matter. It is our goal to prepare students both spiritually and academically. Courses are taught from a Biblical worldview; alternative views are evaluated and analyzed through the lens of scripture.

Academic Honesty

It is the desire of Maranatha Christian Schools to create an educational atmosphere that encourages personal responsibility and integrity that honors God. (Colossians 3:23) Therefore, honesty is a character trait we expect from all our students. Academic dishonesty may include, but is not limited to possession or use of Teacher Edition textbooks, cheating, forgery, and plagiarism, any/all of which will result in disciplinary action. It is important to recognize that the student providing information as well as the recipient are equally at fault. Disciplinary actions include:

First Offense

- Student will receive a zero on homework, quiz, paper, test or project with no make-up permitted.
- Teacher will contact the parent(s) via a Behavior Event Notice (BEN) and notify Administration.

Second Offense

- Student will receive a zero on homework quiz, paper, test or project with no make-up permitted.
- Parent and student conference with teacher and/or Administration; conference will be documented in a BEN
- Disciplinary action may include suspension.

Third Offense

- Student will receive a zero on homework quiz, paper, test or project with no make-up permitted.
- Parent and student conference with school Administration.
- Documentation explaining the incident will be placed in the student's permanent file.
- Student will be suspended pending consideration for dismissal from MCS.

Academic Probation

Students may be placed on academic and co-curricular probation if the student's grade point average (GPA) is below a 2.0 (a "C" average) or if the student receives or an "F" in any course during each of the progressive six week grading periods. The terms of the probation will be clearly stated in writing with both the student and parent(s). Terms of probation can include athletic and/or co-curricular ineligibility. Students who repeatedly fail to meet the terms of the probationary period may be asked to withdraw from the school. The school administration reserves the right to make all final decisions regarding a student's academic probation.

Class Schedule Changes

Class placement is prepared by the administration from the Elective Course Selection Form submitted by the student(s), teacher recommendation, course availability, and what the master schedule will accommodate. The primary focus is successful preparation for high school. Schedule changes may be made with the Administration's approval during the first two weeks of the semester for academic reasons only.

Withdrawals made during the third through the eleventh week of a semester will result in a "W" on the permanent transcript. This will not affect the student's GPA. Withdrawals after the eleventh week of the semester will result in an "F" grade on the student's transcript, which will affect the students' GPA. The parent(s), teacher and the Administration will determine if a withdrawal is in the best interest of the student.

Citizenship Grades

Conduct grades are given by each classroom teacher in the areas of social conduct, classroom conduct and work habits. The conduct codes are: O=Outstanding; S=Satisfactory; N=Needs Improvement; U=Unsatisfactory.

Community Service Requirements

Community Service in Maranatha Junior High School provides opportunity for the student to model Christ like behavior through serving another, receive the blessing that comes from giving in the Name of Jesus, and to develop the lifelong spiritual discipline of serving Christ.

Community service grades are part of the "Projects" category in Bible Class, with point value determined by the Bible teacher. Community Service must be done completely, correctly, and submitted on time to earn credit.

Community service hours are to be completed during the school year and approved by your Bible teacher **prior to service**. The student may not receive pay for community service and should serve with the Christ like attitude of humility. At least half of your community service hours must be Christ-centered by serving in a Christian church, Christian ministry, or outside of the church with an intentional evangelistic objective. Examples of Christian community service are childcare at church or Christian ministries, helping with church or ministry functions, mission trips, youth group service, MCS service, evangelizing, etc. Up to half of the required hours may be community service projects, such as nursing homes, libraries, environmental endeavors, humane society, zoo, neighborhood service, food banks, childcare, and other Bible teacher approved activities.

Junior high community service prepares the student for service in high school where accomplishments become part of the student resume, useful for future college and career pursuits. Lastly and significantly, junior high community service presents the student with the unique privilege of bringing honor and glory to Christ by serving in His Name.

Students/Parents should communicate with their student's Bible teacher for details or clarification on Community Service Requirements.

Any Junior High School student receiving a failing grade for a course that is required for promotion must repeat the course and earn a passing grade. We strongly encourage students to repeat any class in which a "D" is earned. Any Junior High student required to complete remedial work, must complete the remedial work through an MCS approved program prior to or concurrent with the next semester of work at the expense of the parent. The MCS College and Guidance Coordinator can direct parents to approved programs.

Grading Policies

Homework/Late Assignments

All assignments must be completed by the due date specified by the teacher, unless there are extenuating circumstances approved by the teacher. All assigned work (except in cases of an excused absence) is due at the start of class on the due date, no matter how minor or major the assignment. Students handing in assignments after the due date may receive a lower grade, including a “zero” grade, as determined by the teacher. Teachers will consider extreme circumstances beyond the student’s control on an individual basis. Missing assignments will be entered as “M” on progress reports and count as zero until replaced with a completed grade. **Please note, students participating in after school activities such as sports or performing arts are expected to complete and turn in all assignments on time even when they miss class to attend games or performances.**

Incomplete

An Incomplete “I” grade will be issued when a circumstance beyond a student’s control prohibits him or her from completing any course work. A student will be required to make up an incomplete grade within two weeks of the end of the term. It is the student’s responsibility to contact the teacher(s) to obtain a list of all incomplete assignments required to complete the class work. If course requirements are not completed within two weeks, a “zero” will be given for the incomplete work and a final grade will be determined and recorded. Students may obtain a change of grade form from the MCS College and Guidance Coordinator.

Make-Up Work

A student will have one school day for each day missed to make up all missed work due to an excused absence. The responsibility for obtaining missed assignments and completing make-up work, or arranging to take missed tests and/or quizzes rests ultimately with the student. Assignments generated prior to an excused absence but due during the excused absence must be submitted by the student immediately upon return to school. Students who miss schoolwork due to truancy, suspension, or excessive absences (excused or unexcused) will be subject to the policies pertaining to late assignments. The above policy does not apply to students who miss class due to after school activities such as sports or performing arts. Students participating in after school activities such as sports or performing arts are expected to complete and turn in all assignments on time even when they miss class to attend games or performances. It is their responsibility to complete all missed work, tests, etc. when they return to class.

Junior High School Promotion Requirements

To achieve promotion to MCS high school, all 8th graders are required to have successfully completed the Junior High program with a cumulative GPA of at least 2.0 with no failing grades. Students not meeting these criteria may be denied the opportunity to participate in promotion ceremonies. Failing classes at any grade level will require completion of remedial work during the summer session, and the student will be placed on academic probation for the coming term. Under special circumstances, a student may be promoted to high school under terms of academic probation upon approval of the high school principal.

Off Campus Courses

Prior approval by the MCS College and Guidance Coordinator and Principal must be obtained before any off campus course will be accepted for course credit at MCS. All courses must be completed outside of regular school hours. No more than two will be authorized.

ParentsWeb

Maranatha Junior High considers it a priority to communicate with parents regarding their student's academic progress. ParentsWeb by RenWeb is a valuable tool that allows parents and students to be connected to the academic process and make informed decisions correlated to their students' specific needs.

Parents are strongly encouraged to establish a ParentWeb login and make it a priority to utilize this as a significant source of information on: class grades, homework and lesson plans, report cards , progress reports and attendance.

P.E.

P.E. grades will be based equally on participation, uniform compliance, and the instructor's classroom curriculum requirements.

Privacy

Access to pupil records are in accordance with Education Code Sections 49063 and 49013 through 49077.

Report Cards and Progress Reports

The school year is divided into two semesters. Each semester includes two official six week (6th and 12th week) Progress Reports and a final semester Report Card. Report Cards indicate the student's academic performance during the previous grading period. They may contain comments designed to advise students and parents of areas of excellence and or need. They will show grades, GPA, excused and unexcused absences and tardies. Two Progress Reports are issued during each semester to inform parents of the child's achievement or particular areas of concern. As an add effort to keep students and parent up to date on student progress, progress reports will be email home every weekend. Parents can view their child's grades at any point during the term through Ren Web. MCS encourages parents to communicate with teachers and to initiate conferences when the need arises throughout the school year.

Special Recognition

Throughout the school year students are periodically recognized for a variety of efforts and activities, such as athletics, various competitions, Art Festival, Math Club, etc. (Acts 4; 36: 11:22b – 23). At the end of each semester Honor Roll (3.5) and Principal's Honor Roll (4.0 GPA) students are recognized in the Eagle Express. The Barnabas Awards are presented to three students from each grade level during end of the year promotions who exemplify outstanding Christian character during the school year.

Summer School

Summer school course are designed and may be required to help those students who have done poorly in a class during the school year or who need to take a prerequisite course prior to the fall semester. Prior approval must be obtained from the College and Career Guidance Coordinator before any summer school course can be taken via on-line programs or other schools.

Transfer Credits

Each student's transfer credits from a previous school must be evaluated by the school Admissions Director and Principal to determine if those credits meet the MCS JH requirements.

STUDENT HEALTH AND SAFETY

Introduction

At MCS, we believe in the safety of every student, staff member and visitor on campus. It is our duty to protect our students as they are on our campus every day. **MCS participates in the Magnus Health Integration: Managing Student Data Program. It is the responsibility of MCS parents to keep their student's medical information current on the Magnus website.** The school nurse may be contacted to learn more about this system.

Health Office

A registered nurse staffs the MCS health office and renders first-aid to injured or ill students during the school day. The nurse evaluates students who are ill before they are released from school to go home. Students are only released to parents or other persons specifically designated on the school emergency form. **Students who are sick should remain at home until they are symptom-free for a period of 24 hours prior to returning to school.**

It is the policy of the State of California that the administering of medicine to students during school hours is discouraged unless absolutely necessary for the critical health of the student. Medications will only be administered to students with written permission from parent(s) or guardian(s). Prescription and non-prescription medications will only be issued as directed by a physician's note. All prescription medications must be brought to the school nurse's office in the original container clearly identified with the student's name, prescribing physician's name and administering instructions. At the end of year, parents should pick up any unused medications from the nurse's office. Any medication left in the nurse's office after June 30th will be properly disposed of by the school.

Any MCS Junior High or Senior High student having an immediate need for asthma inhalers during school may carry the necessary medication on their person when certain conditions are met. Anyone wishing to carry his or her own inhaler may pick up an Authorization for Self-Carry from the office. This form will need to be completed and returned to the school nurse. Otherwise, inhalers must be kept in the office and administered as prescribed.

In the event of an accident or serious injury, requiring attention beyond basic First-Aid, MCS will call emergency medical personnel (911). Any cost for emergency medical care will first be billed to the family's personal medical or accident insurance.

The MCS Nurse provides care to students who become ill or injured while at school. Please do not bring or send students to school for the purpose of diagnosis in lieu of regular medical advice. Please do inform the school nurse of any special medical conditions or circumstances that a student may require while attending school or participating in school sponsored activities.

Child Abuse Reporting

The state of California requires childcare providers and teachers to report any suspected incident of possible child abuse or neglect. We are legally obligated to comply with these guidelines

Communicable Disease

When a student is found to have a communicable disease, he/she will need a written consent from a physician or the County Health Department before returning to school.

Health Verification

Sports physicals are required for junior and senior high school students wishing to participate in after school sports. If your child has a special health problem or a medical history, which may affect school performance, please notify the school

State-Mandated Harassment Policy

In order to be in full compliance of state law, MCS must distribute the following Student Harassment policies to each family enrolled.

MCS is committed to providing an academic environment in which all individuals treat each other with dignity and respect and which is free from all forms of intimidation, exploitation, bullying, both verbal and electronic harassment, including sexual harassment. This policy prohibits harassment/bullying, including verbal, non-verbal and physical harassment. MCS believes that students have the right to learn in an atmosphere, which is most conducive to the achievement of their fullest potential. As such, guidelines have been established to help students discern when the line between playful interaction and disrespectful behavior has been crossed.

A student who feels they have been harassed should immediately contact a school employee or administrator. Students who observe harassing conduct are encouraged to report the matter to a school employee or administrator promptly. All complaints will be investigated promptly and appropriate corrective action will be taken. Every effort will be made to protect the privacy of the parties involved in any complaint. However, MCS reserves the right to fully and completely investigate every complaint, and to notify the student's parent/guardian and appropriate law enforcement agencies as the circumstances warrant. It is against the school's policy to discriminate or retaliate against any person who has filed a complaint.

Bullying Prevention

Bullying - Bullying is the repeated actions or threats of action directed toward a person by one or more people who have or are perceived to have more power or status than their target in order to cause fear, distress or harm.

Cyberbullying - Cyberbullying is the intentional and repeated mistreatment of others through the use of technology, such as computers, cell phones and other electronic devices.

Students and parents are encouraged to notify school staff when their student being bullied or suspect that another student is being victimized.

When the circumstances involve cyber-bullying, individuals with information about the activity are encouraged to save and print any electronic or digital messages sent to them that they feel constitute cyber-bullying.

Reasonable efforts will be made to keep a report of bullying or harassment and the result of the investigation confidential. MCS also prohibits any form of retaliation against any student who files a complaint or report regarding an incident of discrimination, harassment, intimidation, or bullying.

Intentionally false reports, use of the complaint process, or statement to defame a fellow student or staff member for any illegitimate reason, will result in disciplinary consequences.

MCS Junior High takes a very proactive, positive approach to generate a campus culture of Christ like behavior that promotes love, unity and voice within the student body. The LUV Program along with promoting a Biblical World View in all aspects of student life, from the class room to co-curricular activities all contribute to a safe secure environment for everyone on campus. Students are educated and trained to contextualize information through this Biblical World View and to make practical, discerning decisions about the world in which they live which may not always share their values. Using information such as the chart below, parents are encouraged to help teach their

students to distinguish between what is and is not considering bullying and appropriate ways to address it.

Rosalind Wiseman, best-selling author and bullying prevention expert presents the distinction between conflict and bullying.

<i>What Bullying</i>	<i>What Bullying is Not...</i>
Repeated aggressive behavior	Not liking someone
Intended to cause harm (physical or emotional)	Accidentally bumping into someone
An attempt by one or more individuals to gain power over another	A single act of telling a joke about someone
Physical: Hitting, kicking, pushing, destroying property	Expression of unpleasant thoughts or feelings regarding others
Verbal/Written: Threatening, name-calling, teasing, taunting	Arguments or disagreements
Social/Emotional: Terrorizing, spreading rumors, intimidating, humiliating, blackmailing, isolating	Being excluded from a game or group on the playground (unless being done regularly and with intention to hurt the feelings of another)
Cyber-bullying: Using technology to bully others verbally, emotionally and/or socially	Isolated acts of harassment, aggressive behavior, intimidation or meanness

Problem Solving Procedures

MCS desires to handle all school related concerns in a Biblical manner, through the principles of Matthew 18:15-17 and Philippians 2:14. Please help us handle concerns effectively and in a Christian manner by following these scriptural guidelines. We want to handle each problem satisfactorily, and realize this can only happen through proper communication and support. In the event of a concern, problem or misunderstanding, please following these steps:

- All concerns should go directly to the Teacher, Coach or Staff member involved. If the situation persists, approach that individual a second time; sometimes issues and concerns need clarification and time.
- If attempts to resolve the issue with the appropriate personnel are unsuccessful, contact the respective department head, Assistant Principal, or Principal to schedule a meeting with all parties involved.
- The Principals bare responsibility for resolving conflicts that occur within their divisions. A meeting may be scheduled with the Superintendent only after the Principals have been given an opportunity to address the concerns.
- If the Superintendent is unable to resolve the situation, the concerns may be submitted to the MCS School Board in a letter specifically stating the issues and the individuals involved. The MCS Board, at the next regularly scheduled meeting, will consider the written correspondence and a response will be given accordingly.

Parking Lot and Drop-Off Procedures

Morning Drop-Off Procedures

1. Morning drop-off traffic flow begins when turning onto Maranatha Drive, Northbound.
2. Single file traffic moves along Maranatha Drive to the North parking lot entrance.
3. Once you have turned into the parking lot, there are two options.

Option a): **TURN LEFT FOR PARKING**: Once you have parked your vehicle, elementary students must be accompanied by a parent or a guardian to the drop-off point located at the school front gate. Please do not stop to drop students off until parked in the parking lot. Failure to comply with this directive endangers students exiting vehicle , and slows the normal flow of traffic. To maintain safety and order, remain in the yellow crosswalks.

Option b): TURN RIGHT FOR DROP-OFF: Once you turn right, stay in the drive through lane. This end of the parking lot is designated for staff parking only. The flow of traffic moves through the parking lot to the designated drop-off zone. Always follow the direction of the MCS Attendants. The drop off zone is located along the Red Fire curb in front of the courtyard. It is a designated area in which cars must come to a complete stop to off load students safely. Once stopped in the drop off zone, students may exit your vehicle and walk directly onto the school campus. ***Please do not park or drop off your student anywhere before you enter the drop off zone. Once again, follow the directions from the MCS Attendants.***

Afternoon Drop-Off Procedures

1. When picking up Elementary and Kindergarten students, park your vehicle in a designated parking space, walk to the court yard pick-up area, then back to your car with your student. On-duty teachers will sign out students as they leave with their designated guardian or parent.
2. Once you have picked up your student, they are under your supervision. They are not allowed to run around, play games, throw or kick balls, etc. during this time. Students are not allowed to wander around the campus or the parking lot. Please be considerate of others and the school property.
3. Junior High and High School students are allowed to leave the courtyard pick up area and walk out to waiting vehicles once you have parked in a designated parking space.
4. Do not stop, park, or pick up students at any time along the RED FIRE CURB or in the parking lot drive- through lanes for Afternoon Pick-up. Please do not park in handicap parking spaces at any time unless you have a Handicap Sticker or placard.
5. If a student has stayed after school for sports practice, After School Care Programs or tutoring, please follow all parking lot procedures for Afternoon Pick-up.

Bicycles, Skateboards, Scooters and Rollerblades

Bicycles are not to be ridden on campus. Students are to walk bicycles at all times while on the school grounds. Bicycles are to be parked and locked only in designated area. Students are not allowed to go to the bicycle parking area during school hours without permission. The school is neither liable nor responsible for damage to or loss of bicycles. Students riding bicycles on the school grounds or otherwise violating the bicycle rules may lose their privilege to park a bicycle at school. Skateboards, roller blades, scooters, razors or other similar equipment are not permitted on the school property at any time.

Disaster / Emergency Preparedness

MCS recognizes its legal and moral responsibility to provide for the safety of its students and staff, especially in disaster situations. The school is also aware of its role to work cooperatively with other community agencies to prepare for and effectively deal with a disaster situation in our community. Consequently, it is the intent of the school to assure the optimum safety and welfare of the students and staff. We have developed an effective disaster/emergency preparedness plan and provided the appropriate instruction and practice to carry out that plan. We provide opportunities throughout the school year to practice these plans to make all aware of how to respond during the occurrence of an emergency. Copies of the Emergency Preparedness Plan as well as the Incident Command System Plan are located on the MCS Intranet.

STUDENT LIFE

Athletics

MCS is a member of the CIFSDS, based on that relationship MCS staff cannot recruit athletes. Prospective students or parents cannot be solicited to become a part of our school, but instead should turn in an application to the school and talk with admissions office. All inquiries about athletics have to be referred to the admissions office, without exceptions.

After School Care Program

Our After School Care Program (ASCP) is a service offered for our working elementary parents who may not be able to pick their students up at regular dismissal times. Time in the ASCP is divided into enrichment activities, play time and homework time. All Elementary students who have not been picked up by 3:00p.m. are signed in to the ASCP by their respective teachers. Junior High students are dismissed from school at 3:00p.m. and are expected to leave school property on their own. Junior High students who remain on campus to participate in co-curricular activities such as sports, theater, clubs, etc. will wait in designated areas predetermined by their coach, teacher or club sponsor. The “Quiet Zone” is also available for JH students at a nominal fee. Students who are not involved with an after school activity, or in the Quiet Zone, may remain in the court yard area or out in front of the school gate while waiting to be picked up by parents. Historically, MCS JH students have proven themselves to be responsible and well behaved during this gap period between school dismissal and the beginning of co-curricular activities, or being picked up by parents. Although infrequent, those who fail to meet this standard will not be allowed to remain on campus. Students who fail to comply with this after school policy will be subject to discipline.

Announcements/Advertisements/Signs/Banners

All posters, bulletins, signs, banners, or other items of information posted on our campus must be approved by a faculty advisor or administrator before posting. Advertisements about events not relating to our school will not generally be approved by the Principal for posting. Spirit posters and campaign materials may be posted on railings and fences by string or other approved materials. Advertisements cannot be posted on any buildings (including the gym or any stucco buildings), doors, or on trees.

Associated Student Body for Junior High School

The Associated Student Body (ASB) is a student service-oriented organization that has been established to promote leadership and improve communication among students, staff, parents and community. ASB officers will be given opportunities to gain experience in self-government and fiscal responsibility. Officers build school spirit while serving the school and fellow students.

ASB officers and class representatives are elected in the spring semester and are expected to attend regular ASB meetings and participate in ASB activities. In order for a student to be an ASB officer or a class representative, the student must have a 2.5 cumulative GPA for the school year at the time he/she applies for office.

Should a student’s GPA fall below 2.5, the student shall be given notice and the opportunity to raise the grade to the required level. Should the student fail to raise their grade by the next official 6 or 12 week progress report may no longer participate in student council. Students must obtain teacher recommendation to serve on the Student Council.

Back to School Night

Near the start of school, MCS hosts this important evening designed for parents to come to school and meet their child's teacher(s). At that time, teachers explain their classroom policies and plans. No childcare is provided – parents are encouraged to leave their children at home.

Building Elevator

Except for those students requiring assistance due to medical or physical restrictions or limitations, students are **not** to use the building elevator for any purpose without permission from a teacher or school administrator. Students who require the use of the elevator may have another student assist them if necessary.

Carpool Information

Carpool information is available in the school office. You may request that your name be added to the carpool list at any time. You may also ask to look through the carpool list to locate other students in your area with whom you may want to share rides. It is your responsibility to make your own carpool arrangements.

Chapel

Chapels are scheduled on Wednesdays and are considered an important part of the school program at MCS. Parents are welcome to attend chapel anytime. However, as with all visitors on campus they must sign in at the front desk.

Co-Curricular Activities

Activities are important aspects of the total school program. School activities enrich the curriculum and some of the most important learning experiences result from participation in such activities. School-sponsored activities must have a faculty sponsor, adequate number of chaperones and administrative approval.

Some of the school-related activities include:

- Math Olympics
- Math Club
- Art Fair
- Drama Musicals
- Robotics
- Science Fair
- Spelling Bee
- Choir/ Band
- Interscholastic Athletics
- Cheer Squad
- ASB/Student Council

Communication

Healthy relationships are maintained through good communication. It is the hope and desire that all parents and students read these materials in their entirety to remain apprised of developments at the school. Staying informed enhances the opportunity for every parent and student to take advantage of every opportunity afforded them while attending MCS.

Electronic Devices

Due to advances in technology, cell phones include a multitude of functions, which can provide students access to a variety of inappropriate materials. Cell phone use, strictly for the purpose of making phone calls, is authorized prior to and after school. All cell phones should be silenced and kept in the student's locker from first bell to dismissal bell. Students may bring e-reader devices to school when used as a book. The use of other functions on these devices while at school is prohibited. At this time managing the current broad band infrastructure requires controlled use of internet devices. Only high school students are authorized to bring iPads or similar devices to school.

Use of any auxiliary functions on cell phones, or e-readers (e.g. camera, internet, games, etc.) or the use of any other personal electronic device while on campus is prohibited for Junior High students. The Apple Watch and similar devices or technology, although considered a personal electronic device, are usually used in conjunction with a cell phone or similar device. These devices will be treated as a cell phone and must remain in the student's locker with their phone from first to last bell. Faculty/staff observing a violation of this policy will confiscate the respective device, turn it in to the JH principal, generate a BEN, and assign detention. Only a parent will be allowed to retrieve the confiscated item.

The rules regarding the possession and use of cell phones on school sponsored trips may vary from the normal school policy but will always be fully explained and presented in writing for both students and parents. MCS fully expects that students and parents will honor their signature and agreement to comply with the rules and policies as presented.

Field Trip Policy

Our teachers conduct well-planned field trips. All students are expected to participate in field trips which are required components of our academic curriculum. Permission slips and Trip Policy Forms are required for students to participate with their classmates. Teachers will notify parents in advance of scheduled trips. All MCS field trip volunteers must meet the following criteria by complying with the policy guidelines for field trips: Chaperones must submit a Volunteer, Level II Application and receive live scan clearance. Forms should be submitted 30 days prior to any needed clearance. **Chaperones must leave with the school, remain with the group, and return with the school for every field trip.** Parents are not allowed to meet up with the class at the field trip location or join in while a trip is in progress. **All students must leave with the school as well as return with the school.** No siblings or family members are to join the field trip.

Note: The teacher has the final word in all parent/chaperone assignments, instructions for, and participation in the field trip and any other matters pertaining to the field trip. *The rules regarding the possession and use of cell phones on school sponsored trips may vary from the normal school policy but will always be fully explained and presented in writing for both students and parents. MCS fully expects that students and parents will honor their signature and agreement to comply with the rules and policies as presented.*

Food and Drinks

Students are not allowed to bring food and drinks inside the school buildings/classrooms, except for school sponsored events and rainy day schedule when students may eat lunch inside their classrooms.

Fundraising by Student Organizations

Any class, club or other school-related groups (athletics, fine arts, ASB, etc) involved with fund raising must clear its project through the Principal. All club/class money and accounts must be maintained in an MCS school activities account specifically for the purpose of the activity. No separate bank accounts may be maintained by any student organization.

General Concerns, Ideas, and Suggestions

Concerns, ideas or suggestions that involve the whole school or a particular department can be given to the department leader or complete a suggestion form and return it to MCS school office. Please sign your name so we can adequately solve the problem or follow through properly. Anonymous letters will be disregarded.

Gum

Chewing gum is not allowed at any time on the school campus.

Inter-Scholastic Athletics

Students interested in playing sports should see the Athletic Director for specific details related to cost and eligibility. An Athletic Handbook will be published with specific program information. Academic eligibility will be determined at the end of each grading period. A grading period, as defined by the California Interscholastic Federation (CIF), is that period of time in which all students receive grades. MCS academic year is divided into six week grading periods.

Students must maintain a 2.0 GPA, with no failing grade, to establish eligibility. A student who falls below 2.0 will be placed on athletic probation for a minimum of one six week grading period. If after that time the student is still below a 2.0 GPA, that student will become ineligible for athletics. They will remain ineligible until they satisfy the GPA requirement set forth by CIF regulations. Other terms of probation will be communicated in writing with the parent(s) and student(s).

Lockers

Students will be issued an assigned locker with an MCS lock at the beginning of the school year for storage of appropriate school-related materials. Only school-issued locks may be used on school lockers. Lockers are the property of MCS and are subject to inspection by administration at any time without prior notice. Students are responsible for the condition and contents of the locker assigned to them. Students should not affix stickers or contact paper to their locker. Students are not permitted to switch or use other lockers. MCS is not responsible for loss or damage done to items left in lockers. All student backpacks are to remain in the student's locker during the school day. P.E. students will be issued locks and lockers in the gym. Students will properly lock their assigned lockers with their assigned locks. Students who tamper with, miss use or otherwise violate the use of their own or another student's locks, lockers, or personal property are subject to discipline.

Locker Decoration:

Periodically and for variance reasons students/parents/staff may desire to decorate a student's locker. Please adhere to the following rules.

- Students may only decorate between 3:15 to 3:45 the day before the birthday or with a parent in the morning before school; decorating must be finished before the first bell. Hall way Passes will not be issued to students alone for this purpose.
- Please only use Scotch tape or blue painter's tape, gift wrap paper, magnets, colored signs, and favorable pictures and photos.
- Decorations should be confined to the surface of the specific locker and not interfere with access to other surrounding lockers.
- Please do not use pictures or photographs lacking in modesty or that might be considered inappropriate by MCS standards.
- Please do not use confetti, glitter, balloons, or food as part of decorations as these tend to create significant cleanup for the facilities staff
- Lockers decorated for special occasions such as birthdays must be returned to normal by the end of the respective school day.

Lost and Found

Students who find lost articles should take the article to the lost and found location or front office where it can be identified and claimed by its rightful owner. Unclaimed items will be donated to a charity on a periodic basis. Parents/Students are strongly encouraged to label clothing and other personal items to help in the restoration of lost and found items.

Lunch Program

All students are encouraged to eat a nutritious lunch either brought from home or bought from the MCS lunch program. Students may purchase a hot lunch from MCS. The school office will send out information regarding this program at the beginning of the school year.

Messages to Students in the Classroom

The office will not deliver non-emergency messages or allow unexpected classroom visits to students during instructional time. These are distracting and disruptive to the learning environment. Class will only be interrupted during instruction time for emergencies. Please avoid calling your child's cell phone or pager during the school day.

Off-Campus (Non MCS) Activities

Maranatha Christian Schools does not endorse, promote or encourage students to attend "after parties" following school sponsored events. Parents who permit their children to attend must understand these events are not school sanctioned and should take all precautions necessary to educate themselves as to the level of adult supervision, type of activity, safety/security of facilities, MCS cannot and will not assume responsibility for such events.

Social Conduct Parameters

MCS encourages the development of healthy, God-glorifying relationships. Students involved in relationships should maintain a Godly example in speech, conduct and purity at all times. Students are to refrain from inappropriate public displays of affection on campus and/or at school-sponsored activities. Kissing, hugging, handholding, and other forms of personal affection are not permitted on campus or at any school-related activity.

Interpersonal relationships should be above reproach and should draw people closer to God, not cause them to stumble and fall away from Him. Each student should be personally responsible for the integrity of his/her relationships. The staff and administration will deal with inappropriate behavior on an individual basis.

School Directory

The school publishes an all-school directory on Renweb. Parents may determine what personal information is available.

School Property

The materials and facilities at Maranatha Christian Schools are dedicated to God and His service. Each individual is responsible for what he or she is issued. The student's family must pay for any misuse of the school's buildings, equipment, and lost/damaged books or materials. We ask that all students cover hardbound textbooks. Students will be financially responsible for replacement of any books owned by the school that are lost, stolen or returned in unusable condition. All school property is subject to inspection by authorized school personnel at any time without prior notice.

Student Technology Use Policy

MCS is committed to providing students with opportunities to develop and use technology skills that are essential for learning, working and living. Therefore, it is our goal to educate students about efficient, ethical and appropriate use of those resources. All technologies are used to meet curriculum objectives such as the ability to access resources for reference and research; reference up-to date primary sources; conduct searches and evaluate resources, consult with experts in a variety of fields, or communicate with students from other schools on situations or areas of interest.

It is important that students understand the privileges and responsibilities of using the Internet and MCS computer networks and resources. Internet use is a privilege, not a right. All users and parents/guardians will be required to read and sign an agreement, which will provide detailed information on acceptable and unacceptable use of the Internet and network. Our school adheres to our Code of Ethics and the biblical principle of Philippians 4:8.

The student is held responsible for his/her actions whenever using the schools computers or Internet. Inappropriate uses of the network will result in the suspension of these privileges. The following examples of unacceptable use are not exhaustive:

- Conduct any activity that is prohibited by law.
- Access sites that the school would deem inappropriate (pornographic, unlawful, obscene or otherwise objectionable material).
- Use the service to interfere, disrupt and or modify the performance of our system, equipment and services.
- Violate copyright or other intellectual property rights.
- Illegally store, use distribute or copy software.
- Transmit threatening, obscene or offensive materials.
- Send or receive email, send or respond to an instant message (IM), or enter a chat room at any time while using school computers.
- Downloading viruses or attempting to circumvent virus protection programs.
- Posting personal information about yourself or others. This includes information such as home address, telephone number, financial information, etc.
- Load, attempt to load or use any unauthorized discs, programs or files.
- Students are not permitted to use staff computers.

Consequences:

Failure to abide by the above school policy regarding computer usage will result in disciplinary action which includes, but is not limited to, an immediate referral to the principal, loss or limited use of school computers, suspension, expulsion and possible financial restitution.

Social Media

Definition of Social Media:

Social media is defined as any form of online publication or presence that allows interactive communication, including, but not limited to, social networks, blogs, internet websites, internet forums, and wikis. (Examples of social media include, but are not limited to, Facebook, Twitter, YouTube, Instagram, Snapchat, Google+, and Flickr.)

Social media is part of our current day culture and utilized by students, parents and staff on a regular basis and for a variety of purposes. Although it is often used after school hours and/or off campus, in keeping with our desire to be Christ- like in all areas of our lives, students are expected to use social media in a positive, responsible manner.

In order to maintain a professional and appropriate relationship with students, MCS employees will not communicate with students who are currently enrolled in schools on personal social media sites.

This provision is subject to the following exceptions: (a) communication with relatives and (b) if an emergency situation requires such communication, in which case the employee should notify his/her supervisor of the contact as soon as possible.

When a student or minor wishes to link to an employee's personal social media site, they will be directed to a school approved social media account. Accepting invitations (friend requests, etc.) to an employee's personal social media sites from parents, alumni over the age of 18, or colleagues may be done at the employee's discretion. Accepting invitations to an employee's personal social media sites from current students (regardless of age and division) and current or former students under the age of 18 is prohibited.

MCS employees who choose to engage in professional social media activities will maintain separate professional email addresses and social media accounts for this purpose. The professional social media presence will utilize a professional email address that is completely separate from any personal social media presence maintained by the employee.

Professional Social Media is a work-related social media activity that is school-based (e.g., MCS establishing a Facebook page for the school or a teacher establishing a blog for his/her class).

Use of Professional Social Media Sites

The following guidelines will be followed for students and parents on MCS Professional Social Media Sites:

- Professional social media sites that are school-based should be designed to address reasonable instructional, educational or co-curricular program matters;
- Each school year, parents will be notified about the professional social media activities their children will be invited to participate in. The originator of the professional social media site will inform parents of the purpose and nature of each professional social media account their children will access and will instruct parents to contact the originating employee with any questions or concerns;
- Supervisors and their designees are responsible for maintaining a list of all professional social media accounts within their particular school or office; and
- Professional social media sites should include language identifying the sites as professional social media sites. For example, the professional sites can identify the school division, department or particular grade that is utilizing the site.
- Students should treat professional social media space and communication like a classroom and/or a professional workplace. The same standards expected in professional settings are expected on professional social media sites. If a particular type of behavior is inappropriate in the classroom or a professional workplace, then that behavior is also inappropriate on the professional social media site;
- Students should exercise caution, sound judgment, and common sense when using professional social media sites;
- Employees will make every effort to maintain appropriate privacy settings to control access to their professional social media sites to ensure that professional social media communications only reach the employees' intended audience. However, employees should be aware that there are limitations to privacy settings. Private communication published on the internet can easily become public. Furthermore, social media sites can change their current default privacy settings and other functions. As a result, employees have an individual responsibility to understand the rules of the social media site being utilized; parents and students are expected to do their part to support and maintain privacy related issues when participating on a professional social media site.

- Professional social media communication should be in compliance with existing regulations, policies and applicable laws, including, but not limited to, prohibitions on the disclosure of confidential information and prohibitions on the use of harassing, obscene, discriminatory, defamatory or threatening language; and
- Personally identifiable student information including names, videos and photographs will NOT be posted by employees, students or parents on professional social media sites, without the written, informed consent of the child’s parent/legal guardian/site originator; and
- Professional social media sites for JH students will be private networks, unless there is a specific educational need for the site to be a public network (for example, it is limited to a particular class or particular grade within a school); and
- The Professional social media site originator or MCS administrator will remove inappropriate posts or comments and may block such users from future access to prevent further inappropriate communication; and at their sole discretion may close a professional media website at any time.

Students in Classrooms Without Staff

Students are NOT permitted inside school buildings, the gym, classrooms, or the strength and conditioning room when there is no MCS staff present.

Telephone Use

Telephones in the school office and the classroom are to be used only by the staff of Maranatha Christian Schools. Students will not be permitted to use office phones to contact parents in the event of forgotten books, homework, field trip passes, or lunches. Students will only be permitted to make emergency calls. The front office staff will determine what merits an emergency. If you wish to get in touch with your child's teacher, please call the office and leave a message. The teacher will return your call at their earliest convenience.

Volunteer Opportunities

It is the goal of Maranatha Christian Schools to have parents greatly involved with their child's education. Prior to the start of school in September, parents are given the opportunity to sign up to assist in their child's classroom and with the organization of school functions. All volunteers must submit a volunteer application and receive clearance for either Level I or Level II volunteering. Details may be found in our Volunteer Application online.

All volunteers who would like participate in any MCS overnight activity any off campus activities, transporting students to sporting events, extended-stay school field trips; these volunteers will be required to have a background check clearance through Live Scan. Maranatha Christian cannot accept background checks completed from other organizations. The cost will be paid by the volunteer.

Work Permits

Permits will not be issued to students on academic probation. Permits may be obtained from the Academic Advisor after completion of the “Intent to Hire Form” by the prospective employer (also available from the Academic Advisor). State and Federal laws will be followed regarding hours authorized for a student to work.

Yearbook Guidelines

A yearbook is such a wonderful, life-long keepsake of memories and blessings. The tradition of “signing yearbooks” is an important part of this. We encourage MCS students to make permanent

comments that are true, pure, right, holy, friendly, and proper following the Philippians 4:8 guidelines:

“Finally, brethren, whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy – meditate on these things.”

- Parents - Please monitor your child’s yearbook. It is not wise for this to be private and unavailable to you.
- Students - In taking this yearbook I agree to uphold the Philippians 4:8 guidelines. I understand that if I choose to write in anyone’s yearbook, I am responsible to follow these standards. I understand that inappropriate language or destructive marking of another student’s yearbook will not be tolerated, and may result in suspension, loss of my yearbook, and/or replacing another’s yearbook.

EAGLE ACADEMY

The Eagle Academy (formerly known as the Private School Satellite Program – PSP) is available to students in grades 6 through 12 subsequent to meeting specific Eagle Academy prerequisites/standards. This program provides an alternative environment to traditional, full-day school programs by allowing families to choose on and off campus courses to meet their student’s unique educational needs. Students may take 0 to 3 classes on the MCS campus, and then choose the method of instruction for the remaining courses. These off-site methods can include online courses, cooperative learning classes, and home-based off site learning, among other pre-approved options.

Grade and work completion verification is completed every 6 weeks with parents/students. This includes collection and approval of student work samples, the parent or external course provider gradebook, and a grade for work completed. Students in The Eagle Academy are required to meet the same promotion/graduation requirements as traditional students, and their grades are entered into RenWeb at the traditional 6 week and semester progress marking periods. The Eagle Academy Coordinator works with students and families on curriculum and course selection, with the goal of meeting individual learning styles and educational levels. **7th grade students desiring to go on the 7th grade Missions and Ministry Trip at the end of the year must be enrolled in the 7th Grade Bible Class. 8th Grade students desiring to go on the 8th Grade East Coast Trip must be enrolled in the 8th Grade American History Class.**

Students in The Eagle Academy are considered MCS students, and therefore are required to comply with all school rules. In addition, Eagle Academy students are able to participate in student life activities, school sports and performing arts at MCS. These students do have on/off campus privileges in that they are asked to arrive/depart within 15 minutes of their scheduled classes, or attend 5th period study hall with a designated supervisor.

Students entering the Eagle Academy are pre-screened for a programmatic match and to ensure parental supervision and instruction are available during school hours. Students must be approved by the Eagle Academy Coordinator (and Principals as needed), and new students must go through the standard MCS admissions process
