

**MARANATHA
CHRISTIAN SCHOOLS**

CodeFu: Mini Coding Dojo (K - 2nd)

Cost: 10 - Week Program: \$199*

Time: Tuesday, 3:30pm - 4:30pm**

Class Location: T105

Class Dates: 1/21, 1/28, 2/4, 2/11, 2/25
3/3, 3/10, 3/17, 3/24, 3/31

Enrollment Deadline: Jan 13, 2020

Using iPad, applications like Scratch Jr, Kodable, Light bot, and Bloxels coupled with hands-on board games that promote social problem-solving, CodeFu's TK-2 Dojo teaches students the computational logic of Computer Science / coding, including providing them with an introduction into a number of block-based coding languages.

In this session students will focus on using their imagination as well as creativity to create their own advanced games and animations, which will provide students with an introduction into computational logic skills and basic programming languages - "the Art of CodeFu", helping your student succeed in numerous areas outside this enrichment program, including Math, Computers, Engineering, Science, Robotics.

*** Sign up now! The first ten signups** will be entered into a drawing for **free/no-cost Dojo!**

**** 30 minutes free** after school care from 3:00-3:30pm provided
