PARENTS

Greetings Parents and Students,

In a continuing effort to improve the accuracy and accountability of our attendance process, we are making a slight revision to the notification requirement/process for student absences in the Junior High and High School Parent Student Hand Books. Enforcement of this revision will be **effective Tuesday, January, 21, 2020**. Please read the italicized wording below to familiarize yourself with the revised policy. The secondary principals and or assistant principals are available to answer questions.

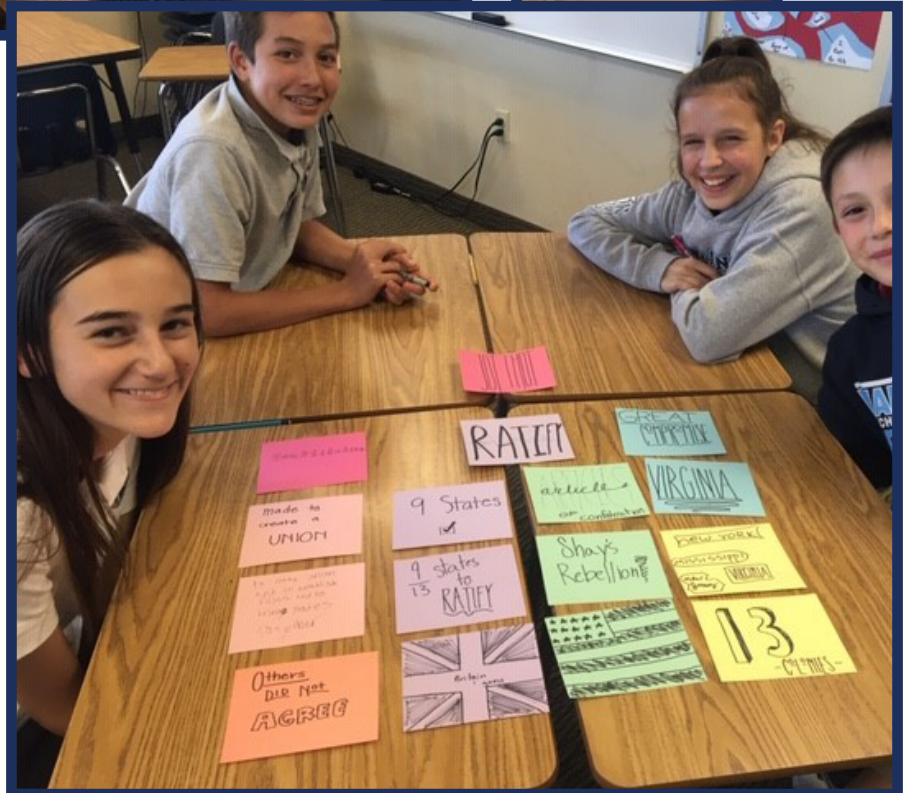

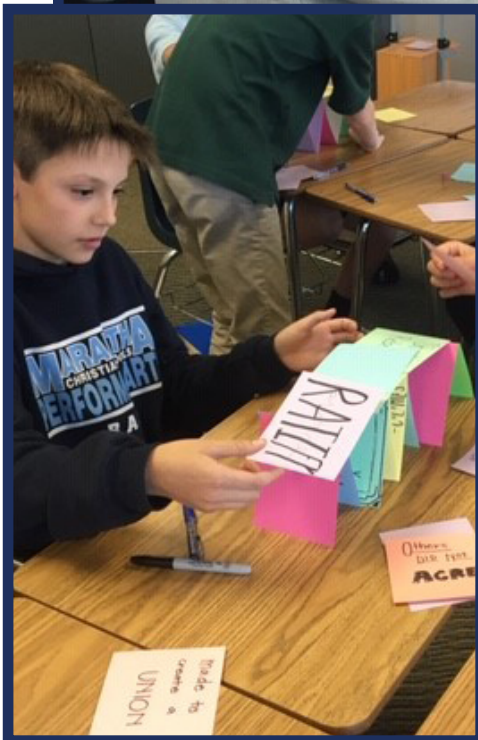

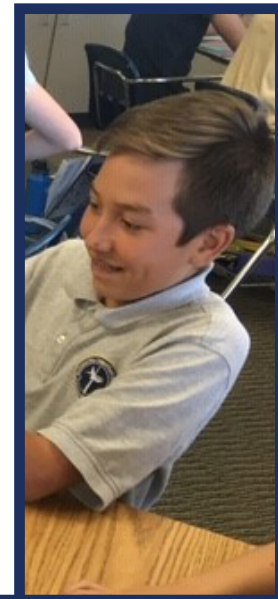

Absences

All absences must be reported daily to the school office. Notification of absences must be made by the parent, legal guardian, or host family by the end of the school day. Absences will be reported as "Unexcused" until the school has been appropriately notified. "Unexcused Absence" left unaddressed for two or more school days can only be "Excused" via administrative approval.

JUNIOR HIGH NEWS

JOT THOUGHTS?

In preparation for working in groups whether in a college or a career setting, US History students in 8th grade are learning a collaborative method known as 'Jot Thoughts'. Small groups of students come together to formulate as many ideas as they can from their topic of study and 'jot' or draw them on posters cards. After working in groups, students then compare their thoughts to other groups in their class. Collaborative learning is interactive, engaging and a good way to facilitate student growth that will help them in many areas.

PRESCHOOL NEWS

LET'S SEE THOSE PERALY WHITES!

Everyone brushes their teeth, and our preschool students are learning the importance too. Maranatha Preschool is blessed to have professionals who love to visit the school. Students had the opportunity to learn from one of those professional last week, a dentist. She taught the students the importance of taking care of their teeth by showing them proper brushing and flossing techniques. Now that is a healthy habit to remember to do!
