Vision

Transformed lives ... Transforming the world (Romans 12:1-2; Joshua 1:1-9)

Three-Year Strategic Vision

MCS is an authentic Christ-centered learning community, passionate in pursuit of our mission and clear in our identity as we build a premier college preparatory program with outstanding faculty, staff, and facilities.

Three-Year Strategic Themes

By June 2021, MCS will:

1. Strategically align its programs (EE-High school) to enhance overall student readiness for post-secondary college and career success
2. Improve the effectiveness of internal communications at every level of the school community.
3. Continue to strengthen our culture so students at every grade level are equipped to grow in their spiritual journey, and families are more meaningfully engaged in our school community.
4. Be on schedule to fully fund the salary matrix by 2021, and have established an endowment for ongoing support
5. Develop and implement a comprehensive technology plan that improves learning, safety, productivity and efficiency
6. Be on schedule in executing its master site plan including arts and athletics facilities
